Prize Stories 1982 William Abrahams, 1982-04 *Of a Certain Age* Rhea Joyce Rubin, 1990 This guide features older adults as central characters including a detailed annotation with a plot synopsis and discussions of the content themes of the novel or story

Alice Adams Carol Sklenicka, 2019-12-03 Nobody writes better about falling in love than Alice Adams a New York Times critic said of the prolific short story writer and bestselling novelist whose dozens of published stories and eleven novels illuminate the American Century Born in 1926 Alice Adams grew up in Chapel Hill North Carolina during the Great Depression and came of age during World War II After college at Radcliffe and a year in Paris she moved to San Francisco Always a rebel in good girl s clothing Adams used her education sexual and emotional curiosity and uncompromising artistic ambition to break the strictures that bound women in midcentury America Divorced with a child to raise she worked at secretarial jobs for two decades before she could earn a living as a writer One of only four winners of the O Henry Special Award for Continuing Achievement Adams wove her life into her fiction and used her writing to understand the changing tides of the twentieth century Her work portrays vibrant characters both young and old who live on the edge of their emotions absorbed by love affairs yet always determined to be independent and to fulfill their personal destinies With the same meticulous research and vivid storytelling she brought to Raymond Carver A Writer s Life Carol Sklenicka integrates the drama of Adams s deeply felt elegantly fierce life with a cascade of events the civil rights and women s movements the sixties counterculture and sexual freedom This biography s revealing analyses of Adams s stories and novels from Careless Love to Superior Women to The Last Lovely City and her extensive interviews with Adams s family and friends among them Mary Gaitskill Diane Johnson Anne Lamott and Alison Lurie give us the definitive story of a writer often dubbed America s Colette Alice Adams Portrait of a Writer captures not just a beloved woman s life in full but a crucial span of American history

Heart Failure Ivy Goodman, 1983 These 15 stories meet existence head on through detached narration that has the quality of a feverish dream The chilling psyche tells a story where there seems to be no story Even the victim remains dispassionate and lets the reader infer causes and measure threats In unvarnished linear prose stripped of sentimentality Goodman casts the shape of inarticulate emotion Yet at the heart of her stories about the foolish the indifferent and the vicious between painful connections and violations there is regenerating laughter or an inexpressible trace of something once whole and beautiful Beneath Goodman s every absence there is a compelling disturbing presence

Front flap The Publishers' Trade List Annual , 1984 *Tobias Wolff* James Hannah, 1996 This work places Wolff in the modern realist tradition as a writer who continues the tradition of such writers as Anton Chekhov and Ernest Hemingway The author shows how Wolff used fiction to criticize Americans and their culture and how his Catholicism infused his work It offers the reader explanations of much of Wolff s short fiction interviews with Wolff and book reviews concerning his two collections of short stories
