## **Prize Stories 1983 The O Henry Awards:**

**Prize Stories 1983** William Miller Abrahams, 1983 20 stories representing contemporary American short fiction include Raymond Carver's *A Small Good Thing* Joyce Carol Oates *My Warszawa* Wright Morris *Victrola* John Updike's *The City* and stories by promising new talents *The John Updike Encyclopedia* Jack De Bellis, 2000-09-30 John Updike is one of the most seminal American writers of the 20th century and one of the most prolific as well. In addition to his best-selling novels, he has written numerous poems, short stories, reviews, and essays. His writing consistently reveals stylistic brilliance and through his engagement with America's moral and spiritual problems, his works chronicle America's hopes and dreams, failures and disappointments. Though he is an enormously popular writer, the complexity and elegance of his works have elicited growing scholarly attention. Through several hundred alphabetically arranged entries, this book provides both casual and serious readers an exceptional guide to his life and writings. Whether the reader is seeking a novel summary, an authoritative analysis of subjects, elucidation of an allusion, or a point about Updike's life or manner of composition, the encyclopedia is indispensable. A chronology summarizes the major events in Updike's career, while an introductory essay examines his progress as a writer from his crafted light verse and informed reviews to his innovative novels and stories. The entries that follow summarize Updike's books, describe all major characters, explain allusions, identify major images and symbols, analyze principal subjects, discuss his life and career, and draw on the most significant scholarship. Entries include bibliographies, and the volume closes with a list of works for further reading. *Of a Certain Age* Rhea Joyce Rubin, 1990 This guide features older adults as central characters, including a detailed annotation with a plot synopsis and discussions of the content, themes of the novel or story. [The 100 Most Popular Young Adult Authors](#) Bernard A. Drew, 1997-10-15 The book focuses on individuals writing in the 90s but also includes 12 classic authors, e.g., Mark Twain, Louisa May Alcott, J. R. R. Tolkien, who are still widely read by teens. It also covers some authors known primarily for adult literature, e.g., Stephen King, and some who write mainly for middle readers but are also popular among young adults, e.g., Betsy Byars. An affordable alternative to multivolume publications, this book makes a great collection, development tool, and resource for author studies. It will also help readers find other books by and about their favorite writers. [Conversations with Louise Erdrich and Michael Dorris](#) Louise Erdrich, Michael Dorris, 1994 Being of mixed blood and having lived in both white and Indian worlds, they give an original perspective on American society. Sometimes with humor and always with refreshing candor, their discussions undermine the damaging stereotypes of American Indians. Some of the interviews focus on their nonfiction book *The Broken Cord*, which recounts the struggle to solve their adopted son's health problems from fetal alcohol syndrome. Included also are two recent interviews published here for the first time. **John Updike** Jack De Bellis, Michael Broomfield, 2007 This definitive guide to materials by and about this prolific American author consists of a printed first volume and a second volume on CD-ROM. The A and B sections of Volume I concern separately

printed works by Updike and books to which he has contributed The volume also features over 500 grayscale images of book covers jackets broadsides and many seldom seen items It includes comprehensive listings of Updike s short fiction poems articles essays and reviews as well as extensive documentation of letters speeches dramatic works manuscripts interviews and blurbs Volume II contains entries for material about Updike and his work reviews commentary and theses several appendices media appearances work read by others works in translation exhibits and catalogs and full color versions of images appearing in the printed volume

**Raymond Carver** Ewing Campbell,1992 Perhaps the most significant and influential figure in this century s wave of American realism Raymond Carver 1938 1988 is credited not only with reviving the short story as an artistically legitimate form but also with perfecting minimalist fiction His 1981 collection *What We Talk about When We Talk about Love* remains the standard against which minimalist literature is measured and his numerous prize winning and frequently anthologized stories have established him as the extender of a modernist tradition stretching from Chekhov through Joyce and Hemingway In his later collections such as *Cathedral* 1983 and *Where I m Calling From* 1988 Carver surpasses even his own great achievement setting a bold new path for his short fiction and intensifying the scholarly attention he d first inspired with *Will You Please Be Quiet Please* anthologized in *Best American Short Stories* of 1967 Moving chronologically through Carver s complete short fiction canon and examining key stories in depth Ewing Campbell traces the author s development through and beyond literary minimalism into the tradition of tragic allegory He explores Carvers persistent use of myth and archetype motifs of the grotesque religious iconography and oppressed spiritually paralyzed characters From the earliest stories through the latest Campbell illuminates Carvers constant fascination with the way individuals connect or fail to connect with one another
