Pro Life Answers To Pro Choice Arguments:

Pro-Life Answers to Pro-Choice Arguments Randy Alcorn, 2009-01-21 As politicians citizens and families continue the raging national debate on whether it s proper to end human life in the womb resources like Randy Alcorn s *Prolife Answers to Prochoice Arguments* have proven invaluable With over 75 000 copies in print this revised and updated guide offers timely information and inspiration from a sanctity of life perspective Real answers to real questions about abortion appear in logical and concise form The final chapter *Fifty Ways to Help Unborn Babies and Their Mothers* is worth the price of this book alone

Prolife Answers to Prochoice Arguments Randy C. Alcorn, 1992 **The Ethics of Abortion** Christine Watkins, 2005 The abortion debate is as active today as it was in 1973 with *Roe v Wade* The goal of many politicians and organizations is to make abortion illegal while others actively and vehemently defend a woman s legal right to choose This anthology addresses the many current issues pertinent to this debate *Catholicism and Life Leader's / Catechist's Manual* Edward J. Hayes, 2010-04-16 Teacher s guide to the *Catholicism and Life* book **Abortion** Gary Crum, Thelma McCormack, 1992-01-14 If you oppose abortion are you ethically justified in preventing a pregnant woman from getting an abortion Why don t anti abortion politicians devote more energy to helping needy children whose mothers chose not to have abortions Questions of this sort have generated more emotion than reason for decades Using medical legal and public opinion data the authors examine the complex dilemmas raised by the abortion issue Gary Crum and Thelma McCormack each take a strong stand and give a vigorous rendering of the pro life and pro choice positions based on solid data This careful examination of the moral political social and medical aspects of abortion is a vital addition to the literature *From Rage to Responsibility* Jesse Lee Peterson, Brad Stetson, 2000-08 Through the prism of Jesse Lee Peterson s fascinating life experience and his history of grassroots community work on the streets of riot torn South Central Los Angeles this provocative book takes a critical look at the current civil rights establishment With a foreword by best selling ethicist Dennis Prager *Science and Ethics* Paul Kurtz, David Koepsell, 2007-06-05 This volume presents a unique collection of authors who generally maintain that science can help us make wise choices and that an increase in scientific knowledge can help modify our ethical values and bring new ethical principles into social awareness *The Silent Subject* Brad Stetson, 1996-01-19 When God willing the abortion controversy is behind us partisans of the pro life and pro choice positions are going to have to live together in this society That is why sloganeering and passionate polemics are inevitable civil conversation is essential And that is why *The Silent Subject* is such a gift to all of us at this point in the controversy From the foreword by Richard John Neuhaus The essays in this work constitute a sensitive public argument for a reconstruction of the confused yet dominant popular attitudes toward nascent human life and its value Unlike most pro life arguments it offers no strictly religious or exclusively sectarian warrants for its assertions instead bearing a more secular cast speaking to a generalized and pluralistic audience As a whole *The Silent Subject* embraces no specific particular political ideology Its contributors have a broad spectrum of professional

interests political perspectives and social philosophies all of which indicates the fundamentally humanistic and apolitical nature of concern for the unborn and the degree to which they are esteemed This unusual book is a refreshingly candid and morally compelling analysis of the social forces that superintend our cultural outlook toward unborn human life

Contemporary Christian Authors Janice DeLong,Rachel E. Schwedt,2000-03-29 Finally a summary section provides a brief synopsis of at least one title representative of the author s style and several of the writers have provided personal annotations of their works **BOOK JACKET** *Money, Possessions, and Eternity* Randy C. Alcorn,1989 This is a practical and comprehensive biblical study about money and possessions This writing comes from a pastor s painstaking study and broad experience **Roe V. Wade** N. E. H. Hull,Peter Charles Hoffer,2010 This up to date history of Roe v Wade covers the complete social and legal context of the case that remains the touchstone for America s culture wars **The Dialogues of Plato** Plato,1871 The Dialogues of Plato Translated Into English with Analyses and Introductions by B. Jowett ,1871

Whose Life? Catherine Whitney,1991 A study of the abortion debate in a historial context and at the same time examining the contemporary issues *Common-law Liberty* James Reist Stoner,2003 In an ere as morally confused as ours Stoner argues we at least ought to know what we ve abandoned or suppressed in the name of judicial activism and the modern rights oriented Constitution Having lost our way perhaps the common law in its original sense provides a way back a viable alternative to the debilitating relativism of our current age *The Rise of Radical Egalitarianism* Aaron B. Wildavsky,1991

America's New Democracy Morris P. Fiorina,Paul E. Peterson,Dennis Stephen Voss,2004 The new edition of this brief highly affordable Penguin Academic Series book includes discussions about midterm elections the economy and developments in the Mideast America s New Democracy offers an elegantly written and highly affordable trade format text A strong narrative voice and brimming with student relevant examples America s New Democracy provides a focus of American government that challenges the view that government seldom listens to regular citizens and illustrates popular influence across the political system in defense of a central theme that elections matter more in America s system than they have in the past or than they do in most democracies Contagion ,1996 First Things ,1996 House of Commons Debates, Official Report Canada.
