

Opening Blessing Prayer

Heavenly Father,

As we come to the close of this gathering, we thank You for the time we have spent together. We are truly grateful for Your love, guidance, and blessings that have been evident throughout our time in fellowship and learning.

Now, Lord, as we go our separate ways, we ask for Your continued protection and guidance in our lives. May Your Holy Spirit remain with us, providing wisdom, strength, and comfort in every situation we encounter.

We pray that the lessons, experiences, and connections we have gained here will have a lasting impact, inspiring us to live out our faith and serve You wholeheartedly. May we be a light in this world, sharing Your love, hope, and grace with those around us.

And now, may the Lord bless you and keep you; May the Lord make His face shine upon you and be gracious to you; May the Lord lift up His countenance upon you and give you peace. In the precious and powerful name of Jesus, we pray, Amen.

Probings In Prayer:

Urgent Advice and Probing Questions James L. Crenshaw, Mercer University, 1995 *Probing the Depths* John Paul Thomas, 2020-10-05

Do you know how to pray Do you know how to discern the will of God How do you best fulfill the mission of your life and give God the greatest glory These are among the most foundational questions in life One of the best ways to answer each one of these questions in your life is through the spiritual teachings of Saint Ignatius of Loyola Between the years of 1522 1541 Saint Ignatius of Loyola completed what has come to be known as one of the greatest spiritual masterpieces of all time The Spiritual Exercises This relatively short book is packed with deep insights and guidelines for one who wants to grow in holiness by encountering God on a 30 day retreat In a sense this retreat is the mother of all retreats on account of its length method and depth In our day and age within our fast paced society few people are able to go off and enter into silence and solitude for 30 days and to thus benefit from the fruitfulness of the full experience of Saint Ignatius retreat format However many people today are searching for ways to deepen their relationship with our divine Lord The goal of this current three part book *Probing the Depths* is to present the wisdom and spiritual lessons set forth by Saint Ignatius in The Spiritual Exercises in a format you can incorporate into your daily life throughout the Liturgical Year A summary of the three parts of this book is as follows Part One presents a brief introduction to the life of Saint Ignatius of Loyola offers an introduction to his masterpiece The Spiritual Exercises and gives an overview of ten lessons taught by Saint Ignatius in The Spiritual Exercises These lessons provide a basis for his unique spiritual approach and will be exceptionally useful in a practical way especially as it pertains to daily discernment and fulfillment of the will of God These chapters should be read and re read so that they become practiced in your daily life Part Two of this book contains sixty nine guided meditations on the topics Saint Ignatius recommends for his 30 day retreat These meditations were written using the methods of meditation contemplation and application of the senses that are taught by Saint Ignatius These meditations are arranged according to the Liturgical Year of the Church which makes it possible to incorporate them into the daily rhythm of your life A more detailed explanation of this arrangement of the meditations is found in the Introduction to Part Two Part Three of this book provides some additional prayer material that can be used throughout the year Specifically it provides three forms of examination of conscience a daily and weekly examen format based on the five points of Saint Ignatius Daily General Examen and some morning afternoon and evening prayers In his initial instructions for the retreat in the 18th and 19th Annotations Saint Ignatius acknowledges that some people will need to adapt these exercises to their state in life Thus for those who live a busy life in the world the Exercises may need to be extended over many weeks rather than completed within 30 days Therefore these meditations have been adapted to meet this need If you do not make a weekly holy hour of adoration the meditations and prayers in this book can also be used on a regular basis during your daily and or weekly prayer time in any quiet place However the meditations are written specifically with a holy hour of adoration in mind Prayer in the Hebrew

Bible Samuel E. Balentine, 1993-05-01 Balentine invites the reader to consider several aspects of prayer in the Hebrew Bible prayer and the depiction of character prayer and the characterization of God prayers for divine justice the lament tradition sensible praise prayer in Old Testament theology and the motif of the church as a house of prayer **Investigating Prayer** Ian Olver, 2012-10-11 This book relates the experience of researching planning and conducting a scientific study into intercessory prayer prayer for others The purpose of the study was to ascertain whether the impact of prayer could be measured in a formal study based on the large number of anecdotal reports of efficacy The study was a prospectively randomized double blind trial that added prayer by an established Christian prayer group to conventional therapy for cancer The unique design feature was that the primary endpoint was a change in a validated scale of spiritual well being The patients were informed that they were participating in a study about spiritual well being and quality of life but remained blinded to the intervention The initial observation from the baseline data was that spiritual well being made a unique contribution to quality of life The final outcome of the study was that there was a statistically significant difference in spiritual well being favoring the prayer group The background includes a fascinating review of the medical literature on the topic which contains positive and negative studies that each attracts a vigorous debate about methodology endpoints and whether metaphysical phenomena can or should be studied using scientific methodology The complementary and alternative medicine literature is also equivocal as to whether prayer arguably the most common complementary medical therapy should be included in the range of interventions grouped under that heading In addition to reporting the background and results of the study the book explores the reactions of a range of individuals to the trial all of which help reflect on the nature of prayer

Religious Book Review, 1976 *Life-Changing Prayers* Michael Youssef, 2018-07-31 They were just ordinary people a loyal servant a woman who desperately wanted a child an old man who still had hope and a young teenager who couldn't quite believe God's great love Ordinary people who prayed extraordinary prayers to an extraordinary God They weren't always eloquent They weren't always the type of person you might think God would listen to But they trusted God and his plans for their lives and that made all the difference Life Changing Prayers tells their stories and shares their desperate hopeful and gratitude filled prayers inspiring and emboldening readers to ask God for the desires of their own hearts Anyone who desires to pray life changing prayers as well as anyone whose prayer life has grown stagnant or nonexistent will find here the encouragement to pray confidently and expectantly to the God who always hears and always answers Dust and Ashes James L. Crenshaw, 2010-01-01 In the wake of excessive evil the Holocaust genocide in Africa tsunamis in Indonesia terrorism earthquakes and floods must one surrender belief in a good God The poems in this volume honest and reverent arose from the struggle to answer that question with an emphatic No They exhibit the tension that also exists in the Bible where the expression Dust and Ashes occurs When Abraham questioned God's justice involving the wholesale destruction of the inhabitants of Sodom and Gomorrah and an aggrieved Job responded to speeches from a whirlwind their status as

mortals gave rise to different approaches boldness in one humility in the other Following their examples and the voice of dissenters within much of Scripture these poems chronicle the journey of a lonely man of faith the agony and ecstasy of one who refuses to abandon belief in God despite much evidence that brings it into question They discover the Sacred in Nature a book written by the finger of God and they lovingly reflect on biblical texts a human record of encounter with the Sublime
