Matten,2016-11-01 This book analyzes the historical significance of rivaling concepts of world order in 20th century East Asia
Since the arrival of European imperialism in 19th century coupled with its different schools of political philosophy and
international law China has struggled to combine ideas on national sovereignty spatiality and hegemony in its quest of either
imitating or replacing European norms of world order By analyzing Chinese visions of regional and international order and
comparing them with Japanese proposals of that era this book discusses in detail the relationship of territoriality and political
rule discourses of amity and enmity and finally the role of hegemoniality in the process of imagining a possible postnational
