## **Problem Of Jesus:**

*The Problem of Jesus* Mark Clark, 2021-02-23 The modern world portrays Jesus in many ways for many reasons Some are well intentioned but misguided others are aberrations still others have some but not all the essential keys In order to see and understand the real Jesus and what the Gospels say about him we have to see him in his first century context and work out from there Here is a portrait of Jesus that in some ways will affirm what traditional Christianity has always understood about him and in other ways upend it altogether Award winning author Mark Clark delves into the person and work of Jesus of Nazareth his parables and miracles his controversial challenge of discipleship and obedience his seemingly insane claim to be God and what his death and resurrection if they did happen actually mean Mark is unafraid to tackle questions such as What would first century Jews have immediately recognized about Jesus that modern Christians often miss What do the Gospels accomplish and can we trust them Is there a problem with science and Jesus miracles What are the barriers stopping people from following him And what is Christianity in light of an accurate portrayal of the object of its faith The Problem of Jesus engages with ideas from all realms of study from Malcolm Gladwell and Jordan Peterson to historians scientists and philosophers from N T Wright to C S Lewis from Star Wars to Pretty Woman all unite to form a breathtaking and accurate portrait of Jesus the man the message and the mission who forever altered the course of human history As a former atheist I would call this book philosophical dynamite The Problem of Jesus will take your thinking about Jesus and your relationship with him to whole new levels Pastor and author Ray Johnston     [The Problem of Jesus Study Guide](#) Mark Clark, 2021-05-04 Look beyond the superficial understandings of Jesus to reexamine his powerful claims teachings and the events surrounding his life The modern world portrays Jesus in many ways for many reasons But in order to see and understand the real Jesus and what the Gospels say about him we have to take a closer look and be willing to accept him on his own controversial and challenging terms In this nine session study DVD streaming video sold separately Mark Clark will guide you and your group through some of the essential aspects of the person and work of the historical Jesus of Nazareth including His parables and miracles The historical and biblical accounts of him His death and resurrection His claim to be God Based on the commentary and reflections of his book The Problem of Jesus Mark Clark helps us come to a truer understanding of Jesus and the often unexamined cost of following him This video based study is designed to be experienced in a group setting or any small gathering Throughout the nine sessions you ll take part in a number of activities including Watching the video teachings from Mark The Problem of Jesus A Video Study sold separately Group discussion questions Written responses and personal reflections Scripture readings and prayers The Problem of Jesus Study Guide provides a safe space to wrestle with and strengthen your faith and ultimately to deepen your discipleship to the Redeemer     **The Problem of Jesus: Answering a Skeptic's Challenges to the Scandal Of Jesus** Mark Clark, 2021-02-23 In The Problem of Jesus author and pastor Mark Clark looks beyond the superficial understandings of Jesus He confronts you with the real Jesus of history asking you to

wrestle with the teachings claims and actions of the man who has forever altered the course of human history The Problem of Jesus George Dana Boardman,1897 *Theodicy and the Cross of Christ* Tom Holmén,2018-12-13 The death of Jesus is commonly regarded as the one radically novel perspective from which the problem of suffering is viewed in the New Testament as opposed to the appropriation of viewpoints present elsewhere in contemporary writings and in the Old Testament Tom Holm n s focus on the death of Jesus as a source of New Testament theodicy reveals a two fold reasoning the lasting relevance of the theme of Jesus death on the cross and theodicy and the lack of thorough and sustained New Testament investigations into this theme Holm n s argument focuses on the changes in the concept of suffering occasioned by the unprecedented sacrifice of Jesus He explores both the derivative nature of suffering as God s retribution or a test for discipline in line with the traditions known in the time contemporary to the formation of the New Testament and the sharp wholly new contrast of suffering as intercessory in the crucifixion of Christ Son of God appearing to the world as impossible Holm n considers many issues in his discussion including the context of providence and covenant and the problem that Jesus death causes for theodicy He also examines other perspectives such as the writings of Paul and practical considerations of coping with anguish Taken as a whole this study provides a fresh examination of the crucifixion s central role for understanding New Testament approaches to suffering *The Problem of Jesus* George Dana Boardman,2018-09-26 *The Problem of Jesus Study Guide Plus Streaming Video* Mark Clark,2025-06-17 In *The Problem of Jesus Study Guide* author and pastor Mark Clark looks beyond the superficial understandings of Jesus He confronts you with the real Jesus of history asking you to wrestle with the teachings claims and actions of the man who has forever altered the course of human history

All these areas of research investigate the transmission process which involves both preservation and alteration. The sets of criteria used in one area are thus analogous to the sets of criteria used in the other two areas. This assumption can be confirmed by observing numerous instances of such similarity in these sets of criteria. On the basis of this assumption many other instances of similarity may be newly attained by adapting the set of criteria used in one area for use in the other two areas. The sets of criteria for these three areas of research can be further generalized into a mother set of criteria which will provide us with a degree of methodological unification in these disciplines.

*The Jesus Problem* J.M. Robertson, 2018-05-15  
 Reproduction of the original *The Jesus Problem* by J M Robertson     And God Said What? Margaret Nutting Ralph, 2014-05-14

This revised edition of the best selling *And God Said What* introduces readers to the importance of understanding the various literary forms that appear in Scripture: myth, legend, debate, fiction, Gospel, parable, allegory, letter, and apocalypse. Each genre is clearly defined and the importance of understanding genre in order to find meaning is explored in relation to many well known biblical passages: Samson, Lot's wife, Jonah, puzzling parables, 666, and many more. Written by an experienced teacher who has listened carefully to her students' questions, this book is an invaluable help to those who want to understand the revelation contained in the old and new covenants.

The Giant Book of Children's Sermons Wesley T. Runk, 2003-03

Here at last is the comprehensive collection you've been searching for to minister effectively to your children during worship. Drawn from every book of the New Testament, *The Giant Book of Children's Sermons* (Matthew to Revelation) contains five full years' worth of material you can share with your young disciples. Each of the 260 talks teaches children God's Word through the use of common objects that illustrate an important concept in the scriptures. The messages come from Wesley Runk, a pastor and master communicator with kids who has written over 30 best-selling collections of children's sermons and object lessons. Runk uses a warm and often humorous approach to take on even the tough topics of the New Testament, and the analogies he creates with the use of such simple objects as bananas, clocks, puzzles, and funnels add visual focus for the kids and help them grasp the point on a level suitable for their age. Now whether you are preaching from the Gospels, Acts, the letters of Paul, the general Epistles, or even Revelation, you are sure to find an appropriate related talk for the children. And with convenient features like scripture and object indexes for quickly locating material, as well as a CD with text files that lets you easily adapt the messages to your specific circumstances, *The Giant Book of Children's Sermons* may be the last children's collection you ever need.

**The Problem of Jesus** George Dana Boardman, 2015-06-02

Excerpt from *The Problem of Jesus*: Jesus the Nazarene is the most remarkable phenomenon in human history. However much men may differ about him in other respects, they all agree about him in this respect. Let us then examine this matter with a carefulness which a phenomenon so remarkable justifies. Jesus is a phenomenon in respect to his personality. Glance first at the mental structure of Jesus. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books.
