Problems, God's Presence and Prayer C. Michael Wells, 2002-09-01 **Problems, God's Presence, and Prayer** Michael Wells, 1993 **Lose the Weight of the World** Charles Blair, 1997-07-01 Medical science tells us stress is a killer Our daily routines tell us the same thing For the burned out and weary comes a book that highlights the modern person's spiritual malnourishment Aimed at developing the spiritually and emotionally fit man and woman this timely book focuses on purifying our thoughts firming up Bible knowledge and shedding a harmful self image An uncompromising look at the things that nag all of us **Lose the Weight of the World** promises to trim the fat of our souls **Hidden in My Heart Scripture Memory Bible NLT**, 2016-09 The Hidden In My Heart Scripture Memory Bible encourages kids and parents alike to read God's Word and hide it deep within their hearts in ways that are fun for the whole family **The Christian Science Journal** Mary Baker Eddy, 2008-01 Purchase of this book includes free trial access to www.millionbooks.com where you can read more than a million books for free This is an OCR edition with typos Excerpt from book OPEN LETTERS A Personal Experience The personal experiences contributed to your pages have been exceedingly helpful to me and I venture to offer my mite trusting it may be useful to others as theirs have been to me When I studied Christian Science my teacher impressed on my mind the necessity of taking at least one hour in the day for reading Science And Health the Bible and for silent communion I was determined to do this and for a year was slowly but surely gaining in spiritual understanding But a very subtle temptation came to me to prove me in the form of an invitation to spend the winter with some friends who were wholly absorbed in a life of gayety They sat down to eat and drink and then rose up to play 1 Cor 10 7 I thought now is my opportunity to interest these dear friends in Christian Science I soon found that whatever I did must be through the language of silence At first I held to the hour but gradually the magnetism of my surroundings blinded my sense of Truth to such a degree that society demands crowded out every other and I excused myself by saying it is no use to try While I am with the Romans I will do as they do and so conformed to the condition of those about me Often the inner voice would speak to me but I would answer When I get home I will make up for all the hours of time I've taken from Christian Science Study One evening in the midst of music and dancing with the swiftness of an arrow I was struck with an old belief of which I had been healed through Christian Science treatment It returned with tenfold poignancy I tried to deny and overcome it but felt that like Sampson I was shorn of my strength and helpless in the midst of the enemy I was obliged suddenly to withdraw from the gay scene
American Book Publishing Record, 2007 **Record of Christian Work** Alexander McConnell, William Revell Moody, Arthur Percy Fitt, 1899 Includes music **Paperbound Books in Print 1995** Reed Reference Publishing, 1995-12 *Charisma and Christian Life*, 1993 *Uncomfortable* W.J. Novack, We can run but we cannot hide from ourselves or our past At age forty three the past that I thought I had so neatly put behind me collided with the present I had spent many years trying to distance myself from the memories of my childhood Little did I understand that my past was

controlling every aspect of my life All the years of depression anxiety and addictions could have been avoided if I had known what I understand today That is what this book is all about what I wish I had known I had believed the lie that time heals all wounds This idea of time and healing may be true of broken hearts but with the trauma of child abuse this understanding could not be further from the truth Our future can be full of joy and happiness in the wake of abuse but only once we learn how to face our past I spent over twenty years hiding from my past in church hoping that God would somehow make it all go away In many ways my life was enriched but in many other ways I was worse off than when I started In this book I explore why so many of us seem to be languishing in church when the opposite should be true The truth is that God loves us way too much to allow us to run away from what He knows can become our better qualities I hope you will join me as I share my past of abuse what I have experienced along my journey my ideas about God and who He has become in my life and what I have learned about healing and recovery
