Problems Of Living In Society:

Research Handbook on End of Life Care and Society David Clark, Annemarie Samuels, 2025-09-10 This is an open access title available under the terms of a CC BY 4.0 License. It is free to read, download and share on Elgaronline.com. This comprehensive Research Handbook provides an accessible overview of research on palliative and end of life care in its social context. It examines key theories, methods and research findings, presenting crucial social science and public health perspectives.

Social Psychology and Everyday Life Darrin Hodgetts, Otilie Stolte, Christopher Sonn, Neil Drew, Stuart Carr, Linda Waimarie Nikora, 2020-02-04 This ground-breaking and innovative textbook offers a uniquely global approach to the study of social psychology. Inclusive and outward-looking, the authors consciously re-orientate the discipline of social psychology, promoting a collectivist approach. Each chapter begins with an illustrative scenario based on everyday events, from visiting a local health centre to shopping in a supermarket, which challenges readers to confront the issues that arise in today's diverse multicultural society. This textbook also gives a voice to many indigenous psychologies that have been excluded from the mainstream discipline and provides crucial coverage of the colonization experience. By integrating core social psychology theories and concepts with critical perspectives, *Social Psychology and Everyday Life* provides a thought-provoking introduction suitable for both undergraduate and postgraduate students of social psychology and community psychology. It can also be used by students in related subjects such as sociology, criminology and other social sciences. Accompanying online resources for this title can be found at bloomsburyonlineresources.com/socialpsychology. These resources are designed to support teaching and learning when using this textbook and are available at no extra cost.
