Problems Are The Doors Through Which We Wal To Peace:

Problem Solving with Jesus Johnny Saucedo, 2019-04-11 Problem Solving with Jesus is a book full of truth that would and can help many people We all have gone through many things in our lives and wished that it never happened But we cannot change the past but we can do something about the future You see we have the power to change ourselves and in doing so we can live better lives This book has many things that I have gone through in life and many things that I have seen others go through Also it has many truths that Jesus can show you and take you out of the negative and put you into the positive Just by reading and understanding what the Lord Jesus can do for you is the best thing for you and those around you I know that if you have not gone through something then you have seen and or know someone that has or is going through something that is not good We all have heard of others going through sad situations and wish we could help them But we seem to be powerless because we do not know what to do Well we have forgotten that knowing the past of self and others we can change it and make it better by not doing the same things over again Also we can help others that are going through bad times by just receiving Jesus into our lives Having Jesus can give us strength and so much more to better our lives I have gone through so much and if I knew Jesus and or had listened to God to begin with I would not have gone through so much pain *Open Your Door, Please!* David Edsall, 2017-04-18 Open Your Door Please by David Edsall Open Your Door Please

examines the ways in which God presents His good will to us God provides us with His love and with the tools to succeed As author David Edsall notes we cannot use these tools if we are not open to them We cannot let God in if we do not open the door to Him Open Your Door Please explores the ways in which God has guided David and presented him with opportunities and tools throughout his life He willingly treats his own life and personal history as a case study examining the choices we can make and the difference that can be had if we will allow God to point us in the direction of His choosing Coptalk - What you don't know will SHOCK you!, 1998 This book is packed full of valuable information to help you prepare against becoming a victim The information is based on what the authors have seen from the front seats of police cars fire trucks and paramedic units The public safety information contained in this book can prevent needless tragedy in your life *Problems Are the Doors Through Which We Walk to Peace* Stephen R.
