

SPIRIT FILLED LIFE

"To live with an awareness of the personal presence of the Lord Jesus Christ; as if we are continually standing next to Him.... Filling ourselves with God's word, so that His thoughts will be our thoughts, His standards will be our standards, His work will be our work, And His Will our Will."

Problems Of The Spirit Filled Life:

Problems of the Spirit Filled Life William S. Deal ,1961 *NIV, New Spirit-Filled Life Bible* Thomas Nelson,2014-05-13
Find the Holy Spirit throughout the Bible Jack Hayford founding pastor of The Church on the Way has led a team of anointed scholars to produce the New Spirit Filled Life Bible This outstanding resource offers a fresh look at the Scriptures and the work of the Holy Spirit This Bible addresses important issues of Spirit filled living in the context of solid biblical scholarship Features include Kingdom Dynamics 41 themes throughout the Bible that give us values as we advance the gospel throughout the world Word Wealth More than 550 key terms defined and brought to life pulling the language from the original Greek and Hebrew into everyday English Truth In Action Charts with practical application from every book of the Bible Detailed book introductions Verse by verse study notes Spirit Filled Life Bibles sold to date More than 2 million The Doctrine of the Holy Spirit: Subject analysis and indexes Esther Dech Schandorff,1995 **Official Report of the ... International Christian Endeavor Convention** ,1896 *The Pentecostal Commentary* Billy M. Prewitt, A Trinitarian Exposition of the New Testament This series is designed with the serious Trinitarian Pentecostal student in mind With a foundational commitment to the inspiration and infallibility of Scripture each passage is explained in terms of its theological and practical significance In addition The distinctive Pentecostal pneumatology is sustained Key doctrines are identified and expounded Important cross references within Scripture are noted Historical connections in Church history are mentioned Erroneous teachings are scrutinized Comments are based on the King James Version The KJV text is printed in the body of the commentary With a modern style of readability this commentary series is appropriate for anyone seeking to grow and understand the truths of Scripture and is especially helpful to pastors as well as college and seminary students Author s Foreward As a Pentecostal student attending a Pentecostal Bible college I went to the college bookstore to purchase my textbooks without knowing that the commentaries on my book list were written by non Pentecostals Even though my classes required commentaries from various publishers none of the publishers were Pentecostal I often wondered why a Pentecostal Bible school would use non Pentecostal commentaries for class What I did not know at the time was that there really was no such thing as a Pentecostal commentary written for and by Pentecostals Since then there have been a few Pentecostals who have written on individual books but there are significant portions of even the New Testament that have had little or no Pentecostal voice As a result serious Pentecostal students have no other choice but to learn at the feet of non Pentecostals I am not opposed to non Pentecostal commentaries Indeed I have gained considerable insights from reading such but there are two points of theology that I must consciously filter out every time I read them The most important concern to a Pentecostal is that the pneumatology the study of the Holy Spirit presented by non Pentecostals is very different than that of a Pentecostal The second point is the emphasis on Calvinistic doctrines especially eternal security with which most Pentecostals do not agree In addition there are other theological differences and substantially different hermeneutical

principals that can dramatically alter the interpretation of texts in non Pentecostal ways In my studies I have always desired to have a commentary that was thoroughly Pentecostal but I never imagined that I would write one From one Pentecostal to another I hope you will find this series to be a breath of fresh Spirit anointed air Series Preface While it is hoped that Bible students from other theological traditions will study and benefit from its contents it is first and foremost Pentecostal As such this commentary does not include surveys of other viewpoints unless such inclusion is necessary for clarity of argument In addition with all due respect to our Charismatic brethren it may be said that this series is not meant to be inclusive of Charismatic interpretations related to pneumatology The Pentecostal Commentary series intentionally excludes views of Scripture that do not hold to its inspiration inerrancy and infallibility and also excludes modern liberal arguments of authorship date purpose and so on Traditional viewpoints on these subjects will be discussed without confusing the issue In addition 19th century criticism methods and concerns over source documents will not often be discussed In other words this series assumes that the Biblical text is as God wants it to be and that it was written by the person and at the time traditionally ascribed
