Problemy novoi i noveishei istorii, 2001 **Imperial Russia and the Struggle for Latin American Independence, 1808-1828** Russell H. Bartley, 2014-10-03 This study the first of its kind in English examines Russian responses to the independence movement in Latin America during the early nineteenth century From a strictly presentist perspective the investigation of this subject contributes to the historiography of colonialism and of Latin America s relations with the major world powers In addition it rounds out the story of foreign interests in the emancipation of Spanish and Portuguese America while at the same time shedding new light on the history of Russian overseas expansion The study probes the major determinants of Russian responses to the struggle for independence of colonial Latin America and evaluates from a European perspective the actual impact of tsarist policy on the course of those historic events Drawing on a wide range of printed materials and on hitherto unused manuscript sources from the archives and libraries of Spain Portugal Brazil and the USSR it isolates Russian New World objectives during the first decades of the nineteenth century and relates those objectives to the formulation of tsarist policy toward the insurgent Iberian colonies **The British Library General Catalogue of Printed Books 1976 to 1982** British Library, 1983 *Issledovaniia po novoi i noveishei istorii* Виктор Константинович Фураев, 1972 Guide to Festschriften: A dictionary catalog of Festschriften in the New York Public Library (1972-1976) and the Library of Congress (1968-1976) New York Public Library.
