Proceedings of the Dorset Natural History and Antiquarian Field Club Dorset Natural History and Archaeological Society, 1915 List of members in each volume     *Proceedings - Dorset Natural History and Archaeological Society* Dorset Natural History and Archaeological Society, 1995 List of members in each volume     Proceedings of the Somersetshire Archaeological and Natural History Society Somersetshire Archaeological and Natural History Society, 1960     Politics without Parliaments Esther S. Cope, 2024-06-28 First published in 1987 Politics without Parliaments discusses the period 1629-40 which preceded the English Civil wars. It focuses on the responses of local leaders in the towns and counties to the personal rule of Charles I who dissolved parliament in 1629. It describes their reactions to his religious, military and fiscal policies and the men and measures associated with him. Charles's efforts to force the Scots to accept the new prayerbook alarmed people in England and brought them to new levels of political activity which culminated in the petitions and protests of the summer of 1640. By late September Charles yielded to the pressure and announced that he would summon a parliament to meet in November. Based on extensive research in local records and family papers, this book provides a new and comprehensive understanding of responses to Charles I's non-parliamentary governments. Professor Cope concentrates on the country rather than the court and argues that throughout this period the local leaders did not forsake politics. This book provides students and scholars of seventeenth-century history with new insights into the background to the English civil wars in the 1640s.     **Archaeologia Or Miscellaneous Tracts Relating to Antiquity**, 1883     **Hillforts and the Durotriges** Dave Stewart, Miles Russell, 2017-11-20 This volume sets out the results of a detailed programme of non-intrusive geophysical survey conducted across hillforts of Dorset, UK, generating detailed subsurface maps of archaeological features in the hope of better resolving the phasing and internal structure of these iconic sites.     **The Antiquaries Journal**, 1936     **Proceedings** Somersetshire Archaeological and Natural History Society, 1961     **Report and Transactions - The Devonshire Association for the Advancement of Science, Literature and Art** Devonshire Association for the Advancement of Science, Literature and Art, 1983 List of members in each volume     **Early Secular Effigies in England** H.
