Privileging Gender In Early Modern England Sixteenth Century Essays And Studies Ser Vol 23:

Women and Gender in Early Modern Europe Merry E. Wiesner, 2000-07-03 This is a major new textbook designed for students in all disciplines seeking an introduction to the very latest research on all aspects of women's lives in Europe from 1500 to 1750 and on the development of the notions of masculinity and femininity The coverage is geographically broad ranging from Spain to Scandinavia and from Russia to Ireland and the topics investigated include the female life cycle literacy women's economic role sexuality artistic creations female piety and witchcraft and the relationship between gender and power To aid students each chapter contains extensive notes on further reading but few footnotes and the approach throughout is designed to render the subject in as accessible and stimulating manner as possible Women and Gender in Early Modern Europe is suitable for usage on numerous courses in women's history early modern European history and comparative history Ashgate Critical Essays on Women Writers in England, 1550-1700 Margaret P. Hannay, 2017-05-15

Mary Sidney Herbert Countess of Pembroke was renowned in her own time for her metrical translation of biblical Psalms several original poems translations from French and Italian and her literary patronage William Shakespeare used her Antonius as a source Edmund Spenser celebrated her original poems John Donne praised her Psalmes and Lady Mary Wroth and Aemilia Lanyer depicted her as an exemplary poet Arguably the first Englishwoman to be celebrated as a literary figure she has also attracted considerable modern attention including more than two hundred critical studies This volume offers a brief introduction to her life and an extensive overview of the critical reception of her works reprints some of the most essential and least accessible essays about her life and writings and includes a full bibliography **Reading Early Modern**

Women Helen Ostovich, Elizabeth Sauer, 2004-08-02 Much has been written about women of the English Renaissance but few examples of women's writing from that era have been readily available until now This remarkable anthology assembles for the first time 144 primary texts and documents written by women between 1550 and 1700 and reveals an unprecedented view of the intellectual and literary lives of women in early modern England The writings range from poetry to philosophical treatises addressing a wide array of subjects including law gender education motherhood medicine religion life writing and the arts Each selection is paired with a beautifully reproduced facsimile of the text's original source manuscript allowing a glimpse into the literary past that will lead the reader to truly appreciate the care and craft with which these women writers prepared their texts This essential anthology is a captivating guide to the legacy of early modern women's literature and its authors that must not be overlooked **The Masks of Anthony and Cleopatra** Marvin Rosenberg, Mary Rosenberg, 2006

In his analysis Marvin Rosenberg sets out to steer a path between the extremes of Rome and Egypt and all they stand for and to explore the relentless to and back confrontation of their different sets of values which leads ultimately to destruction

Collecting Women Chantel M. Lavoie, 2009 This book addresses the place of women writers in anthologies and other literary collections in eighteenth century England It explores and contextualizes the ways in which two different kinds of

printed material poetic miscellanies and biographical collections complemented one another in defining expectations about the woman writer Far more than the single authored text it was the collection in one form or another that invested poems and their authors with authority By attending to this fascinating cultural context Chantel Lavoie explores how women poets were placed posthumously in the world of eighteenth century English letters Investigating the lives and works of four well known poets Katherine Philips Aphra Behn Anne Finch and Elizabeth Rowe Lavoie illuminates the way in which celebrated women were collected alongside their poetry the effect of collocation on individual reputations and the intersection between bibliography and biography as female poets themselves became curiosities In so doing *Collecting Women* contributes to the understanding of the intersection of cultural history canon formation and literary collecting in eighteenth century England

The Cambridge History of the Book in Britain Richard Gameson, Lotte Hellinga, Nigel J. Morgan, Rodney M. Thomson, J. B. Trapp, John Barnard, David McKitterick, 1999-12-09 This volume of *The Cambridge History of the Book in Britain* presents an overview of the century and a half between the death of Chaucer in 1400 and the incorporation of the Stationers Company in 1557 The profound changes during that time in social political and religious conditions are reflected in the dissemination and reception of the written word The manuscript culture of Chaucer's day was replaced by an ambience in which printed books would become the norm The emphasis in this collection of essays is on the demand and use of books Patterns of ownership are identified as well as patterns of where why and how books were written printed bound acquired read and passed from hand to hand The book trade receives special attention with emphasis on the large part played by imports and on links with printers in other countries which were decisive for the development of printing and publishing in Britain *Renaissance Dramatic Culture* Mary Beth Rose, 1998 This is an annual publication devoted to understanding the drama as a central feature of Renaissance culture The interdisciplinary essays explore the relationship of Renaissance dramatic traditions to their precursors and successors and examine the impact of different forms of interpretation Uniform Trade List Annual, 1977

Privileging Gender in Early Modern England J. R. Brink, 1993 The essays in this volume focus on the issue of gender as it relates to texts written by and about women in early modern England Among the issues considered are the boundaries between private and public life the problems of divorcing our understanding of the life from the work of a female author the bibliographical procedures for charting the intellectual history of women and the historical difference which obtains between categories of masculine and feminine in the sixteenth century and the late twentieth century Introduction page 1 **Sex, Gender, and Desire in the Plays of Christopher Marlowe** Sara Munson Deats, 1997 Some facets of these plays explored in this study include the asymmetry of gender the representation of gender as natural and universal or as discursively constructed the reinforcement or subversion of traditional gender traits gender principles and gender structures and the relationship of sex gender and sexuality terms too often conflated in postmodern and early modern parlance
