**Pro Football 77** Herbert furlow,1977-07      **Pro Football Championships Before the Super Bowl** Joseph S. Page,2014-01-10 While the Super Bowl has become a worldwide cultural event the annual league championship games had a long history even before the first Super Bowl in January 1967 From the first American Football League s attempt to settle the league title on the gridiron in 1926 to the separate NFL and AFL championships of the 1965 season this history offers a narrative of each game including line ups box scores and team statistics      Pro Football in the 1960s Patrick Gallivan,2020-06-22 The 1960s were a tumultuous period in U S history and the sporting world was not immune to the decade s upturn of tradition As war in Southeast Asia civil unrest at home and political assassinations rocked the nation professional football struggled to attract fans While some players fought for civil rights and others fought overseas the ideological divides behind the protests and riots in the streets spilled into the locker rooms and athletes increasingly brought their political beliefs into the sports world This history describes how a decade of social upheaval affected life on the gridiron and the personalities and events that shaped the game The debut of the Super Bowl soon to become a fixture of American culture marked a professional sport on the rise Increasingly lucrative television contracts and innovations in the filming and broadcasting of games expanded pro football s audiences An authoritarian old guard best represented by the revered Vince Lombardi began to give way as star players like Joe Namath commanded new levels of pay and power And at last all teams fielded African American players belatedly beginning the correction of the sport s greatest wrong      *Pro Football Register* Sporting News,2006-07 A great TV companion for armchair quarterbacks the Register is the annually updated A to Z compilation of information and career statistics for every player expected to be involved in the 2006 National Football League season      **Pro Football Register 1997** Sporting News,1997-06 The Pro Football Register includes all the biographical information fans will ever want to know about everyone who played in the 1996 season top prospects and every head coach      **Pro Football Guide, 1993** Sporting News,1993-07      **Pro Football** David S. Coenen,2023-08-31 The National Football League that celebrated its first Super Bowl in 1967 bore scant resemblance to the league of its obscure origins In its earliest years the league was a ragtag collection of locally supported small town teams that generated attention only in the locales in which they played if they were lucky Many teams received no support at all Only after enduring a slow often treacherous journey did the enterprise of professional football reach its position as the king of the sports world by the late 1960s In *From Sandlots to the Super Bowl* Craig R Coenen recounts the NFL s ascension from a cash strapped laughingstock to a perennial autumn obsession for millions of sports fans It offers an in depth summary of the NFL s early years and its struggles to build an identity This book shows how the fledgling NFL of the 1920s and 1930s attempted to build support both on a local and national scale Considered a sport of hooligans and lower class athletes professional football paled in comparison to the reputations of competing sports such as college football and professional baseball Even more difficult for the league developing civic support for franchises proved an almost impossible task Teams would spring up and disappear

overnight generating hardly any notice among sports fans Coenen shows how the league s survival depended on small town franchises being able to tap into the civic pride and larger economic interests of nearby growing urban centers This book also details how the league faced challenges from rival leagues the government and at times itself Finally it documents how the NFL mastered the use of new technologies like television to market itself generate new revenue and secure its financial future This book approaches the history of the National Football League not only with stats and scores but with what happened beyond the gridiron Starting in Canton and Massillon and ending in Los Angeles with Super Bowl I From Sandlots to the Super Bowl offers an entertaining and absorbing look at the first five decades of America s most popular professional sport
