## **Problem Employees How To Improve Their Performance:**

Problem Employees Peter Wylie, Mardy Grothe, 1991

**Strategies for Employee Assistance Programs** William J.

Sonnenstuhl, Harrison M. Trice, 2018-05-31 This Key Issues report addresses questions often raised by employers and union leaders setting out to develop job based programs to help alcoholic and other troubled employees Following chapters on the historical development and key components of EAPs the authors discuss the importance of balance in program strategies and in corporate and union responsibilities The authors also present examples to show the role EAPs might play when the problems of alcoholic and other troubled employees lead to arbitration and workers compensation cases The focus in the concluding chapter is on the future of EAPs the need for more research and further development of educational programs for EAP practitioners

Managers      **Computerworld** ,1981-06-22 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld s award winning Web site Computerworld com twice monthly publication focused conference series and custom research form the hub of the world s largest global IT media network

**Organisational Behaviour** M N Mishra,2001 Comprehensive and student friendly this book covers the entire gamut of organisational behaviour with its emphasis on Indian cases and examples The book includes a lucid exposition on corporate development

**Human Resource Management** Jean M. Phillips,2024-11-20 Formerly published by Chicago Business Press now published by Sage Focusing on knowledge acquisition and skill development Human Resource Management An Applied Approach is designed to prepare future managers and non managers alike to effectively utilize human resource management strategies to advance their own careers while supporting the growth and development of those they manage Author Jean Phillips adopts an applied approach encouraging students to take action and create a lasting impact in the field of HRM that goes beyond theoretical learning The Fourth Edition features new end of chapter exercises company examples throughout the book and a new section called Using This Knowledge at the end of each chapter providing additional support for applying the topics covered Through case studies videos and exercises students will develop their personal skills and gain practical experience in applying various HR concepts enabling them to become better managers and more effective leaders

**Public Human Resource Management** Richard C. Kearney,Jerrell D. Coggburn,2015-07-30 Public Human Resource Management Problems and Prospects brings together exemplary contributors who provide concise essays on major contemporary public human resources management issues Organized into four parts setting techniques issues and prospects and covering the major process function and policy issues in the field the text offers valuable wisdom to students and practitioners alike With sixteen new and eleven updated chapters authored by the leading figures in the field as well as by up and coming new scholars the new edition works as a primary or supplementary text for courses in human resource management or issues in public administration

**Strategic Human Resources Management in Schools** Henry Tran,Carolyn Kelley,2024-02-01 Strategic Human Resources Management in Schools provides a new approach to human resources management grounded in the perspectives of cutting edge practice research and theory Traditional human resource HR practices in education have operated in an isolated and reactionary manner this book explores an updated version of personnel administration that links strategic human resources to organizational goals educational mission educator well being and student success Coverage includes exemplar strategic HR practices from progressive organizations and leading companies discussion of tricky issues like discrimination and implicit bias and developmental and humanistic support of teachers as well as support staff including paraprofessionals food service workers and bus drivers The Talent Centered Education Leadership TCEL model presented in this book explores how educational leaders can create a nurturing and inclusive workplace for all educational staff which is ultimately critical for improvement in student learning and

strengthening recruitment and retention of a quality education workforce Designed for aspiring leaders this volume is grounded in the Professional Standards for Educational Leaders PSEL and National Educational Leadership Preparation NELP Building and District Level standards and is full of rich pedagogical features including cases warning boxes to explore areas particularly thorny to navigate questions for discussion and various learning activities PROBLEM EMPLOYEES:HOW TO IMPROVE THEIR PERFORMANCE. 2D ED. Peter Wylie,1991 **The Executive Female** ,1982

**Improving Supervisor Productivity Through, Managing the Unsatisfactory Employee** Frank E. Kuzmits,Richard P. Herden,Lyle Sussman,1984 *Problem Employee Management* Willa M. Bruce,1990-05-07 Written for human resources managers and executives this book takes a pragmatic approach to a problem all organizations face but is often neglected in management handbooks what to do about the problem employee As the author notes at the outset problem employees constitute from ten to twenty percent of the workforce yet usually require as much as eighty percent of a manager s time This volume provides a practical guide on how to both reduce the numbers of problem employees in an organization and decrease the time required to manage them Bruce calls for a proactive approach toward the problem employee and demonstrates field tested methodologies for dealing with a variety of problem workplace behaviors Particular emphasis is given to the techniques of Performance Monitoring a technique based on Reality Therapy Bruce also offers an extensive discussion of the advantages and limitations of Employee Assistance Programs and explains in detail legal issues associated with employee discharge for undesirable behavior The author begins by defining the problem employee and offering examples of typical problem employee response patterns She goes on to offer a theoretical explanation of the causes of problem behavior in the workplace and demonstrates why traditional remedies generally do not improve performance Two chapters introduce effective methods for dealing with the problem employee Performance Monitoring is discussed in detail as are methods for dealing with particular types of problem employees such as substance abusers those involved in family crises and employees with health related problems Turning to situations that require outside help Bruce provides a step by step procedure for both establishing an Employee Assistance Program and utilizing an existing one Directions for training supervisors to handle problem employees are provided Because the experience of managing a problem employee can be an extremely difficult one Bruce provides a technique for helping the manager reduce stress understand transition and formulate a personal plan to survive the impact of the problem employee Finally Bruce explains the legal rights of the employee the supervisor and the organization presents relevant court decisions and shows the manager how to work within the law when employee discharge becomes the only option Psychology Applied to Work Paul M. Muchinsky,1993 Noted in earlier editions for its careful balance between practice and science this new edition continues to demonstrate how psychological research contributes to an understanding of behavior in the workplace The book integrates the latest scientific findings and topics into its proven presentation to provide students with a comprehensive and interesting introduction to the

field The author uses humor and an engaging first person style as he illustrates how psychological concepts and principles are applied to the world of work Muchinsky s hands on style gets students involved in research concepts and principles He consistently uses both personal and work environment examples and includes a variety of pedagogical devices to help students develop an understanding of both the practice and the science of the field Publisher s description Railway Engineering and Maintenance ,1927 **Journal of Personnel Research** ,1936 *Managing for Healthy Labour Relations* Martha Catharina Bezuidenhout,Christoph Garbers,Susanna Potgieter,1998 This standard work provides a practical guide for health services managers who deal with personnel and who wish to create a working environment that facilitates bilateral cooperation and avoids industrial action as far as possible The text outlines current legislation on employment and informs both employers and employees of their rights and obligations *Strategies for Staff Development: Personal and Professional Education in the 21st Century* William A. Bryan,Robert A. Schwartz,1998 An educated energetic and motivated student affairs staff is critical to the delivery of quality learning opportunities and services for students This volume offers a range of strategies for recruiting retaining and developing such a staff The authors show how supervisors and mentors can make a positive impact on staff members growth and discuss how to build a solid career foundation for entry level professionals They also describe the influence of behavioral style on professional development and present a performance based approach to human resource development that emphasizes goal setting coaching and performance assessment This is the 84th issue of the quarterly journal New Directions for Student Services **American Journal of Psychotherapy** ,1947
