Problem-Solving Therapy for Depression Arthur M. Nezu, Christine M. Nezu, Michael G. Perri, 1989-01-17 A manual for the diagnosis and treatment of depression based on a new integrated view of the nature course and treatment of depression Depression is one of the most prevalent mental health problems. The authors present a theoretical problem solving model which unifies the strengths of cognitive behavioral therapies all supported by an overview of relevant research. They then provide a step by step practical guide to conducting problem solving therapy for depressed patients. The clinical guidelines and case study examples are stimulating and set this book apart from those simply describing research findings.
