Trends and Future Challenges for U.S. National Ocean and Coastal Policy Biliana Cicin-Sain, Robert W. Knecht, Nancy Marie Foster, 1999 Curriculum Handbook with General Information Concerning ... for the United States Air Force Academy United States Air Force Academy, 198? Social Problems John J. Macionis, 2005 Macionis's Social Problems is the only social problems text that explains how society frames social problems and solutions through politics. The text analyzes social issues and policies using the concepts of sociological theory and the everyday language of politics. This text helps students understand the attitudes and values that define the political spectrum in the United States. Once students know how social problems are defined by our society through politics and how the policies to solve these problems are developed students are able to become involved in solving social problems through activism and political involvement

Problems and Issues of Diversity in the United States Larry Naylor,1999-02-28 Cultural diversity has characterized the American culture since its inception but it has become a buzzword in the 1990s along with multiculturalism Proposed solutions to many of the problems of cultural diversity while popular with the general public searching for easy solutions are all too often simplistic and naive reflecting the rather skewed perceptions of cultural diversity shared by most Americans This volume is intended for those already familiar with the cultural diversity of America and is designed to generate discussion of the issues and problems Contributing authors take their discussions to new and in some cases unchartered directions in their efforts to stimulate discussion that could lead to the resolution of some of the most perplexing and complex issues and problems of diversity
