## Problems Of The History Of Philosophy:

**Why Does History Matter to Philosophy and the Sciences?** Lorenz Krüger, 2005 What are the relationships between philosophy and the history of philosophy the history of science and the philosophy of science This selection of essays by Lorenz Krüger 1932 1994 presents exemplary studies on the philosophy of John Locke and Immanuel Kant on the history of physics and on the scope and limitations of scientific explanation and a realistic understanding of science and truth In his treatment of leading currents in 20th century philosophy Krüger presents new and original arguments for a deeper understanding of the continuity and dynamics of the development of scientific theory These result in significant consequences for the claim of the sciences that they understand reality in a rational manner The case studies are complemented by fundamental thoughts on the relationship between philosophy science and their common history
