Problems In Stoicism:

Problems in Stoicism A.A. Long, 1996 The original publication was an important spur to the subsequent renewal of interest in the study of stoicism and is here reprinted not only because literature on the subject is still scarce but because it has continued to be heavily referred to long after it had gone out of print The ten essays were presented at a seminar at the University of London Annotation copyrighted by Book News Inc Portland OR Problems in Stoicism Anthony Arthur Long, 1975 *The Stoic Theory of Oikeiosis* Troels Engberg-Pedersen, 1990 This second volume in the series Studies in Hellenistic Civilization published for the Danish Research Council for the Humanities offers a comprehensive analysis of the Stoic theory of Oikeiosis Marcus Aurelius Frank McLynn, 2011-12-31 Marcus Aurelius is the one great figure of antiquity who still speaks to us today nearly 2 000 years after his death A philosopher as well as an emperor his was an extraordinary reign He proved himself a great leader protecting the Empire from Germans in the North and fighting the Parthians in the East and his Meditations compared by John Stuart Mill to the Sermon on the Mount remains one of the most widely read Classical books Impeccably researched and vividly told Frank McLynn s Marcus Aurelius is the definitive biography of a monumental historical figure *Loose Notes on Stoicism, Interiority, and Epistemological Crisis in Elizabeth Cary's Tragedy of Mariam* Gundula E. Rommel, 2012 Seminar paper from the year 2001 in the subject English Language and Literature Studies Literature grade 1 3 Humboldt University of Berlin Institut f r Anglistik und Amerikanistik course Seventeenth Century Women s Writing language English abstract As the title indicates this paper presents a rather loose collection or perhaps a montage of observations I made while closely reading and thinking about Cary s famous closet drama These observations concern among other things the heroine s self fashioning as a Stoic subject the resulting problems of continual identity interiority and subjection the linguistic dimension of Herod s madness which I owing much of my outlook on things to Foucault read as an instance of escalating epistemological crisis **Dyadic Decision Making** David Brinberg, James Jaccard, 2012-12-06 Recent research on joint or dyadic decision making has received renewed attention from behavioral scientists This interest is due mostly to the advances in analytic and conceptual models used to study interaction processes A number of related disciplines have used distinctive paradigms to study the same focal problem namely the processes by which two people interact come to resolve a problem and finally reach a decision Dyadic Decision Making presents in a single integrated volume the conceptual and analytic strategies developed in communications research marketing psychology and sociology to investigate joint decision making *Think like a Stoic* Aviral Kumar Gupta, 2021-09-21 I thought that I will kill myself with starvation I didn t eat anything for 2 weeks and all my ribs were completely visible to me when I took out my shirt I was depressed and thought that I could not do anything in my life Then I came across this beautiful philosophy of Stoicism which helped me cope with anxiety and heal myself from depression The Dichotomy of control mentioned in this book helped me let go of things and Amor Fati helped me love my fate It was this philosophy that got me freedom from my

thoughts and gave me an insight that how this world works I have summarized the ancient Stoic techniques and tools which would help you live a better and peaceful life Our modern world is now completely dependent on chemicals So many people out there consume drugs and alcohol for pleasure when this ancient Roman Greek philosophy could get us natural pleasure which comes when we get in harmony with nature This book contains Stoic wisdom which could help you deal with everyday problems and give you inner peace amid chaos Stoicism has helped me overcome my mental illness and it can help you too
