Overseas Missionary Fellowship, 1958      **A Biblical Theology of Christian Discipleship** Johnny Turner, 2021-06-11 A Biblical Theology of Christian Discipleship is a spiritual resource that examines the biblical and theological doctrines to do ministry amid challenges and oppositions The role of the church is to persuade individuals to establish a philosophy of authentic discipleship This book challenges the church to walk humbly before God as genuine disciples The primary focus is to carefully follow Christ's mandate of the Great Commission in Matthew 28:18-20 Go and make disciples More importantly the book describes how the church can effectively use different methods and principles to better prepare believers for Christ      *Problems of Christian Discipleship* J. Oswald Sanders, 1974      *The Christian Disciple Handbook* David Rivington, 2017-01-19 The Christian Disciple Handbook focuses on the most common and subtle ways that the devil the world and this wretched thing called self get Christian people depressed or unhappy in their Christian life as well as the Bible's teaching on how to be a truly victorious disciple of the Lord Jesus Christ There are no shortcuts to be a true disciple of Jesus Christ only proper Bible teaching to overcome the lies and deception of the world the devil and our great enemy self To take up one's cross is simply to be willing to pay any price for Christ's sake Learn in these lessons the biblical keys to be a victorious Christian during your brief earthly pilgrimage so that on the last day you will hear Christ say to you Well done good and faithful servant Matthew 25:21      **The Problem of Christianity in Multi-religious Societies of Today** Tord Fornberg, 1995 This text examines the situation of the Christian Church during the last quarter of the 20th century and seeks to shed light upon the relationship between the new ideas in the field of theology of religions and biblical theology      *The Problem of Life Considered* Samuel Edger, 1884      *Themelios, Volume 40, Issue 3* D. **The Art of Contextual Theology** Victor I. Ezigbo, 2021-05-28 Christianity has an inherent capability to assume as its novel mode of expression the local idioms customs and thought forms of a new cultural frontier that it encounters As a result Christianity has become multicultural and multilingual What is the role of theology in the imagination and articulation of Christianity's inherent multiculturalism and multi vernacularity Victor Ezigbo examines this question by exploring the nature and practice of contextual theology To accomplish this task this book engages the main genres of contextual theology explores echoes of contextual theological thinking in some of Jesus's sayings and discusses insights into contextual theology that can be discerned in the discourses on theology and caste relations Dalit theology theology and primal cultures African theology and theology and poverty Latin American liberation theology

**Issues of Theological Warfare: Evangelicals and Liberals** Richard J. Coleman, 1972 The past decade has seen unmistakable evidence of a movement toward theological ecumenicity Protestant and Roman Catholics have more nearly come together than at any time since the Reformation denominations have joined in fraternal associations both national and world levels mergers between denominations have been discussed sometimes accomplished But for all that Protestant Christianity remains sharply divided and the division is growing deeper threatening the existence both of individual denominations and of the ecumenical movement itself The issues Richard Coleman believes are theological in nature and the battle lines are drawn between liberals and evangelicals In *Issues of Theological Warfare* Coleman presents both sides of the key issues fairly and objectively He makes no effort to blunt the differences or to suggest compromises His basic premise is that both evangelicals and liberals have something to teach and both have something to learn Coleman's intent is to set clearly before the reader those areas in which discussion and learning must occur if there is to be any hope of healing This is not a book for those whose minds are closed but for those on either side who are seriously interested in understanding who welcome dialog and who can honestly face disagreement *Issues of Theological Warfare* will be welcomed as a basic guidebook Publisher
