Perspectives on Christianity in Korea and Japan Mark Mullins, Richard Fox Young, 1995 **The Non-Western Jesus** M. E. Brinkman, Henry Jansen, Lucy Jansen, 2014-12-18 The centre of gravity of contemporary Christianity has shifted to the southern hemisphere where with the exception of Latin America almost all Christians are minorities in their home countries Christians in Asia live amongst Muslim Hindu Buddhist Shamanist or Taoist majorities and this context shapes the local Christian theology The same is true in Africa where traditional religions and beliefs influence African Christians Central to this change in both Africa and Asia is the creation of a new Jesus one who accretes local beliefs and concerns and who in that process is transformed The Non Western Jesus reveals how a new theology with its own images and concepts is coming into being A wide range of embodiments of Jesus is examined Jesus as Avatara and Guru in the Indian context as Bodhisattva in the Buddhist context and Jesus within Asian Chinese Japanese Korean African and Indonesian religious contexts

Untitled Daniel J. Adams, 2022-12-30 My life is one of multiple stories It is a young man s coming of age It is moving from one way to the acceptance of many ways in philosophy and religion It is transitioning from western thought to eastern thought It is entering into an international and cross cultural marriage It is living in the East and in the West It is taking road trips climbing mountains and sailing the seven seas It is becoming a citizen of the world And it is the story of survival most recently in 2022 Truly my life is an example of the way that cannot be named and thus must remain untitled **A History of Protestantism in Korea** Dae Young Ryu, 2022-03-01 This book provides a comprehensive overview of Protestant Christianity in Korea It outlines the development of Christianity in Korea before Protestantism considers the introduction of Protestantism in the late nineteenth century and its widening and profound impact and goes on to discuss the situation up to the present Throughout the book emphasises the importance of Protestantism for Korean national life highlights the key role Protestantism has played in Korea s social political and cultural development including in North Korea whose first leader Kim Il Sung was the son of devout Protestant parents and demonstrates how Protestantism continues to be a vital force for Korean society overall **Handbook of Religion** Terry C. Muck, Harold A. Netland, Gerald R. McDermott, 2014-11-04 This comprehensive handbook provides a Christian perspective on religion and its many manifestations around the world Written by top religion scholars from a broad spectrum of Christianity it introduces world religions indigenous religious traditions and new religious movements Articles explore the relationship of other religions to Christianity providing historical perspective on past encounters and highlighting current issues The book also contains articles by adherents of non Christian religions offering readers an insider s perspective on various religions and their encounters with Christianity Maps timelines and sidebars are included **Asian Christian Theologies: Northeast Asia** John C. England, 2002 V 1 Asia region 7th 20th centuries South Asia Austral Asia v 2 Southeast Asia v 3 Northeast Asia **Transactions of the Royal Asiatic Society, Korea Branch** , 2006 **Handbook of Christianity in Japan** Mark Mullins, 2003 An indispensable reference work on the

history cultural impact and reshaping of Christianity in Japan Based on the latest Japanese and Western scholarship this handbook includes a guide to archival collections research institutes and extensive bibliographies Christianity and Culture Martin S. Reed,2002 In over 2 000 years Christianity has made the overwhelming impact on the culture of the Western world in particular But culture has also helped to shape the development and form of Christianity since the interaction of two such powerful phenomena cannot help but change the other This new book brings together over 1200 citations on Christianity and Culture which are indexed by subject title and author for easy access *Korean American YWCA and the Church* Hwain Chang Lee,2000-08-02 In an attempt to bring the YWCA and the Christian church into a fuller dialogue Hwain Chang Lee has written a book which traces their respective historical evolutions and changing understanding of their missions She concludes that the YWCA while ministering to Christian women in a unique manner should recognize and affirm their dependence upon the church Similarly she proposes that the church as a safe guard of sacred memories should recognize its dependence upon non orthodox mission groups The author intertwines her own life story with the history of these groups as a woman deeply affected by both communities *A History of Christianity in Asia* Samuel H. Moffett,2005 A stunning scholarly achievement Moffett s History of Christianity in Asia reveals how Christianity took roots in Asia against incredible odds The Oxford Encyclopedia of the Modern World ,2008 The Encyclopedia of the Modern World delves into the period from 1750 to the present providing special attention to social economic cultural and political topics applicable to the time The breadth of knowledge offered within this multivolume set is astounding with features spanning articles on countries regions and ethnic groups themes involving social history demography family life politics economics religion thought education science and technology and culture events such as major wars and extensive coverage of the United States Detailed articles cover not only the major facts but the interpretations as well and are written for readers who are not specialists in the particular area Enriched with over 800 halftones and 50 maps this reference work is essential for any scholar general reader collector or curator interested in this rich and varied time in history Through its fluent global coverage The Encyclopedia of Modern World provides information about and interpretation of major developments across particular regionsboth salient events and regional perspectives on common themes such as politics demography social class and gender Readers can explore topics that have global implications such as migration childhood and foods topics that can be viewed through a combination of global patterns and key comparisons Entries also shed light on standard geographic and ethnic units such as Scandinavia Korea or the Gypsies in the modern period The Encyclopedia presents unprecedented coverage of global processes and institutions themselves including the International Red Cross and the League of Nations Publisher Religion and Social Policy Paula D. Nesbitt,2001 Religion and Social Policy explores how religious concerns influence those who shape and those who are shaped by policies It queries the social teachings of global denominations and local congregations as well as the implicit religious stances taken by national governments and international NGOs For

students of religion sociology politics or public policy Religion and Social Policy offers an excellent overview of how the sacred and the secular mix in both the theory and practice of creating a just society **Anglican and Episcopal History** ,1997 Includes section Book reviews **Index of Conference Proceedings** British Library. Document Supply Centre,1997

Christianity Made in Japan Mark Mullins,1998 For centuries the accommodation between Japan and Christianity has been an uneasy one Compared with other Asian countries the churches in Japan have never counted more than a small number of believers resigned to a pattern of ritual and belief transplanted from the West **The Carpenter-heretic** Richard Fox Young,Jr. Es. Bī Sēnānāyaka,1998 Christianity Howard Clark Kee,1998 Written by contributing scholars who are experts in specific facets of developing Christianity this survey provides a well rounded introduction to the history of Christianity and is ideal for anyone interested in the impact of Christianity of world culture down through history It shows how Christianity emerged from its original Jewish context and developed into a worldwide religion offering perceptive studies on how its origins and development were influenced by the changing social and cultural contexts in which the founders and leaders of this tradition lived and thought Provides detailed evidence of the influence of Greco Roman and Jewish religious concepts and religious movements on the origins of Christianity considers the structuring of the church conceptually and organizationally in Europe and discusses Christianity s spread and growth in America and throughout the world Looks at the profound impact of the culture of the later Roman and medieval world on the development of Christian doctrine and intellectual traditions and helps readers understand the reasons for the divisions between Catholic and Protestant traditions For theologians **International Mission Bibliography** Norman E. Thomas,2003-10-16 This massive reference is the key to finding the most important works on missiology published from 1960 2000 Representing the research of more than 30 sub editors in mission related disciplines including history theology social aspects education evangelism spirituality and political life and includes sections on Africa the Americas Asia Europe and Oceania Complete publication details and ISBNs are given for each entry The Cumulative Book Index ,1996 A world list of books in the English language
