Persuasion How Opinions And Attitudes Are Changed:

Political Persuasion and Attitude Change Diana Carole Mutz, Paul M. Sniderman, Richard A. Brody, 1996 Introduces and defines a new field of research on the way political attitudes are influenced and changed *Media Influence on Opinion Change and Democracy* Manuel Goyanes, Azahara Cañedo, 2024-10-30 This book reviews and advances the theoretical and empirical knowledge at the intersection of opinion change and democracy Specifically the volume addresses how opinion change and political persuasion unfold in three main domains of media effects private media i e news organizations public service media state own media services and social media platforms Divided in these three different sections the volume serves as a venue to discuss and further advance the most recent theoretical assumptions and empirical findings that underpin our current understanding on how media influence public opinion and shape liberal democracies The book also explores how media literacy and critical thinking can mitigate the effects of misinformation and propaganda emphasizing the importance of educating the public to discern credible information from deceptive content Furthermore it discusses the ethical implications of media practices and the responsibilities of media producers in maintaining the integrity of democratic discourse By highlighting these aspects the book provides a comprehensive understanding of the complex interplay between media public opinion and democracy offering valuable insights for scholars policymakers and anyone interested in the role of media in shaping public opinion

Feedback, Persuasion and Attitude Change Dennis P. Dunne, 1970 *Persuasion* Marvin Karlins, Herbert Irving Abelson, 1970

Attitudes And Persuasion Richard E Petty, John T Cacioppo, 2018-02-20 This book provides a needed survey of a truly remarkable number of different theoretical approaches to the related phenomena of attitude and belief change It focuses on variable perspective theory which is far more deserving of attention than the present level of research activity

Attitudes and Opinions Stuart Oskamp, P. Wesley Schultz, 2005-01-15 Notable advances resulting from new research findings measurement approaches widespread uses of the Internet and increasingly sophisticated approaches to sampling and polling have stimulated a new generation of attitude scholars This extensively revised edition captures this excitement while remaining grounded in scholarly research Attitudes and Opinions 3 e maintains one of the main goals of the original edition breadth of coverage The book thoroughly reviews both implicit and explicit measures of attitudes the structure and function of attitudes the nature of public opinion and polling attitude formation communication of attitudes and opinions and the relationship between attitudes and behaviors as well as theories and research on attitude change Over 2 000 references support the book s scientific integrity The authors second goal is to demonstrate the relevance of the topic to people s lives Subsequently the second part of the book examines many of the topics and research findings that are salient in the world today political and international attitudes including terrorism voting behavior racism and prejudice sexism and gender roles and environmental attitudes This thoroughly revised new edition features an entirely new chapter on implicit measures attitudes a new chapter on environmental attitudes updated opinion

poll data throughout the book additional material on time trends in attitudes about many issues and expanded updated sections on international attitudes reflecting the events of 9 11 and the subsequent invasions of Afghanistan and Iraq Attitudes and Opinions broad and interdisciplinary perspective makes this an ideal text in courses on attitudes public opinion survey research or persuasion taught in a variety of departments including psychology communication marketing sociology and political science

Persuasion Marvin Karlins, Herbert Irving Abelson, 1970 Ideology Teun A Van Dijk, 1998-02-05

The definition of ideology continues to occupy scholars across a wide range of disciplines In this book Teun A van Dijk sketches a challenging new multidisciplinary framework for theorizing ideology He defines ideology as the basis of the social representations of a group its functions in terms of social relations between groups and its reproduction as enacted by discourse Contemporary racist discourse is examined to illustrate these ideological relations between cognition society and discourse
