Mooij, 2018-09-11 The Neo Kantian philosopher Cassirer and the psychoanalyst Lacan are two key figures in the so called medial turn in philosophy the notion that any form of access to reality is mediated by symbols images words signifiers This explains why the theories of both philosophers merit a description in their own unique idioms as well as having their respective basic tenets compared It will be argued that rather surprisingly these tenets turn out to be complementary actually correcting each other based on their shared notion of man as an animal symbolicum Its fruitfulness will be substantiated for a limited number of topics within the humanities perception language politics and ethics and mental disorder all to be considered from this perspective **The Psychology of Screenwriting** Jason Lee, 2013-07-18 The Psychology of Screenwriting is more than an interesting book on the theory and practice of screenwriting It is also a philosophical analysis of predetermination and free will in the context of writing and human life in our mediated world of technology Drawing on humanism existentialism Buddhism postmodernism and transhumanism and diverse thinkers from Meister Eckhart to Friedrich Nietzsche Theodor Adorno Jacques Derrida Jean Baudrillard and Gilles Deleuze The Psychology of Screenwriting will be of use to screenwriters film students philosophers and all those interested in contemporary theory This book combines in depth critical and cultural analysis with an elaboration on practice in an innovative fashion It explores how people such as those in the Dogme 95 movement have tried to overcome traditional screenwriting looking in detail at the psychology of writing and the practicalities of how to write well for the screen This is the first book to include high theory with screenwriting practice whilst incorporating the Enneagram for character development Numerous filmmakers and writers including David Lynch Jim Jarmusch David Cronenberg Pedro Almodóvar Darren Aronofsky Sally Potter and Charlie Kaufman are explored The Psychology of Screenwriting is invaluable for those who want to delve deeper into writing for the screen

Perversion of Justice Julie K. Brown, 2021-07-20 The New York Times Bestseller A gripping journalistic procedural Spotlight meets Erin Brockovich Michelle Goldberg The New York Times Julie K Brown's important book offers not just a definitive account of the Epstein case but a compelling window into her own experiences as a dogged reporter at a regional newspaper facing off against powerful interests set against her reporting Ronan Farrow Pulitzer Prize winning author of Catch and Kill Dauntless journalist Julie K Brown recounts her uncompromising and risky investigation of Jeffrey Epstein's underage sex trafficking operation and the explosive reporting for the Miami Herald that finally brought him to justice while exposing the powerful

people and broken system that protected him For many years billionaire Jeffrey Epstein s penchant for teenage girls was an open secret in the high society of Palm Beach Florida and Upper East Side Manhattan Charged in 2008 with soliciting prostitution from minors Epstein was treated with unheard of leniency dictating the terms of his non prosecution The media virtually ignored the failures of the criminal justice system and Epstein s friends and business partners brushed the allegations aside But when in 2017 the U S Attorney who approved Epstein s plea deal Alexander Acosta was chosen by President Trump as Labor Secretary reporter Julie K Brown was compelled to ask questions Despite her editor s skepticism that she could add a new dimension to a known story Brown determined that her goal would be to track down the victims themselves Poring over thousands of redacted court documents traveling across the country and chasing down information in difficulty and sometimes dangerous circumstances Brown tracked down dozens of Epstein s victims now young women struggling to reclaim their lives after the trauma and shame they had endured Brown s resulting three part series in the Miami Herald was one of the most explosive news stories of the decade revealing how Epstein ran a global sex trafficking pyramid scheme with impunity for years targeting vulnerable teens often from fractured homes and then turning them into recruiters The outrage led to Epstein s arrest the disappearance and eventual arrest of his closest accomplice Ghislaine Maxwell and the resignation of Acosta The financier s mysterious suicide in a New York City jail cell prompted wild speculation about the secrets he took to the grave and whether his death was intentional or the result of foul play Tracking Epstein s evolution from a college dropout to one of the most successful financiers in the country whose associates included Donald Trump Prince Andrew and Bill Clinton Perversion of Justice builds on Brown s original award winning series showing the power of truth the value of local reportage and the tenacity of one woman in the face of the deep seated corruption of powerful men
