Peter Pran An Architecture Of Poetic Movement:

Peter Pran Peter C. Pran, Christian Norberg-Schulz, 1998 Peter Pran of NBBJ Fumihiko Maki, Peter C. Pran, 2007
Peter Pran is often acclaimed as one of the world's most innovative and creative architects. This Norwegian American has won fifteen national and international design competitions, two AIA design honour awards including the 2004 design honour award for *Peter Pran*, Jonathan Ward, Timothy Johnson, Paul Davis, 1998 Peter Pran of Ellerbe Becket Peter C. Pran, 1992. With an introductory essay by Kenneth Frampton and statements by Daniel Libeskind and Fumihiko Maki, this monograph charts the work of Peter Pran, Design Principal of Ellerbe Beckett. His designs include JFK Airport terminus, New York and Verdens Gang, Oslo. World Architecture, 1998 Modeling Messages Karen Moon, 2005. The model is one of the oldest means of architectural representation and comes in an extravagant variety of forms, from miniaturizations of reality, mesmerizing in their exactness, to wildly energetic sculptural representations. *Modeling Messages: The Architect and the Model* is a study of the contemporary model, American and international, and its myriad uses in architectural practice. Among the illustrations are inventive designs by architects Peter Eisenman, Frank Gehry, Zaha Hadid, and Rem Koolhaas. Author Karen Moon discusses the meaning of the model for the architect, the relationship between model and building, and the impact of scale. She also explores how architects use models for presentation and the creation of a public image. In addition, she focuses on the practice of model making, the relationship between the architect and the maker, the materials, and new technologies that are transforming model making. **The Publishers Weekly**, 1999 **Books In Print 2004-2005** Ed Bowker, Staff, Staff Bowker, Ed, 2004 **Subject Guide to Books in Print**, 2001 *Encyclopedia of the Chicago Literary Renaissance* Jan Pinkerton, Randolph H. Hudson, 2009. The Chicago Renaissance began in the early 1900s and lasted until approximately 1930. The leading writers of the period, including Theodore Dreiser, *Sister Carrie* Andreas Papadakis Presents Theory + Experimentation Andreas C. Papadakis, 1993. This is not only a source book of an international array of architects and ideas, an extravaganza of architectural theory and its realisation, but also contains extensive biographies of 35 architects. The fracturing of the barriers between theory and reality is revealed as architecture moves from the studio and the realm of theory into the street, the realm of practice, displaying an architecture of experimentation, invention, and freedom. This book forms a rigorous, up-to-the-minute view of architectural thinking today and includes, inter alia, the work of Bernard Tschumi, Peter Eisenman, Morphosis, Coop Himmelblau, Daniel Libeskind, and Itsuko Hasegawa. *Japanese Architecture II* Botond Bognár, 1992 **Free-style Classicism** Charles Jencks, 1982 **The Skyscraper and the City** Lynn S. Beedle, Mir M. Ali, Paul J. Armstrong, 2007. This work is a broad-ranging survey of high-rise architecture which touches on many issues that define the character and social and economic role of this important building type. The history and theory of high-rise design, along with programmatic, structural, social, financial, operational, and urban issues, are all covered in a comprehensive and insightful way. Contemporary Architects Muriel Emanuel, 2016-01-23 **New Chicago Architecture** Graham

Foundation for Advanced Studies in the Fine Arts, Museo di Castelvecchio (Verona, Italy), 1981 Catalogo della mostra allestita a Verona 11 Settembre 31 Ottobre 1981 Palazzo Della Gran Guardia Catalogue of the exhibition held in Verona Italy September 11 October 31 1981 at The Palace of the Gran Guardia t p verso *Truth, Radicality and Beyond in Contemporary Architecture* Andreas Papadakis, 2000 Recent projects by international architects in search of innovation Critical analysis of the modern and current tendencies Proceedings of an important international conference in which the world's leading architects participated Keck and Keck Robert Boyce, 1993 For over 50 years in Chicago George and William Keck quietly built a practice that is extraordinary not only for the quality and variety of the work produced but also because the work is so little known **Meggs' History of Graphic Design** Philip B.
