Prayer Of The Bible Reflections On The Old Testament:

Biblical Theology of prayer in the Old Testament Albert J. Coetsee, Francois P. Viljoen, 2023-08-31 Prayer is a major topic within Christian theology. The biblical text has various references to various recorded and reported prayers. In fact, references to prayer are found within the rich diversity of the various books, corpora, and genres of Scripture. As can be expected, much has been written about prayer in the biblical text. However, a comprehensive Biblical Theology dealing with the concept of prayer in Scripture has not been published before, and this book intends to fill this gap, assuming that such an approach can provide a valuable contribution to the theological discourse on prayer and related concepts. This book aims to investigate prayer and its related elements, including worship, praise, thanksgiving, adoration, petition, intercession, lament, and confession in the Old Testament, on a book-by-book or corpus-by-corpus basis. The investigation follows a Biblical Theological approach, reading the Old Testament on a book-by-book basis in its final form to uncover the Old Testament's overarching theology of prayer, understanding the parts in relation to the whole. By doing this, the discrete nuances of the prayers of the different Old Testament books and corpora can be uncovered, letting the books and corpora speak for themselves. In addition, the advantage of this approach is that it provides findings that can benefit the modern Christian community and contribute to the practice of Reformed theology in Africa. This book is of significant value to scholars. It will inspire scholars to think about prayer and use the Bible as the major prayer handbook in their spiritual lives.

In this accessible volume, world-renowned scholar Walter Brueggemann offers his insight and wisdom on twelve prayers in the Old Testament, listening to the biblical text and explaining how these examples of ancient prayer can make prayer come alive for us today. Among the prayers explored are those by Abraham, Moses, Hannah, David, Solomon, Jonah, Jeremiah, Hezekiah, Ezra, Nehemiah, Daniel, and Job. The prayers in this volume express joy and lament and show the depths of human experience and the majestic grace of a loving God who hears everything and takes every prayer to heart.

The Prayers of the Bible Ronald Ernest Clements,1986 he Bible is obviously not a prayer book in the more commonly understood sense of that term though one of its books Psalms has been used as a treasury of prayers down the ages However it does contain a great many prayer texts outside Psalms and other passages describe how central biblical figures pray even if they give no indication of the content of their prayers Here Professor Clements examines the nature of prayer in the Bible not least the question whether prayer was felt to be something that anyone could engage in or whether the help of priest or minister was needed in an approach to God He then goes on to study the texts of more than twenty extended prayers from Abraham to the Book of Revelation Here are prayers attributed to Moses and Hannah David and Solomon Jeremiah and Ezra Job and Daniel Mary and Simeon Jesus and Paul Discussion of them not only opens up many of the concerns of contemporary biblical criticism but also shows how study of devotional texts like studies of art or music can open our eyes to new riches and make words speak at a deeper level than before **Ama Namin** Timoteo D. Gener,Jason Richard Tan,2023-03-31 The

Lord s Prayer unites Christians throughout history speaking across the divides of language place and tradition The oldest prayer of the church it continues to speak to the lived reality of believers around the world while inviting the body of Christ into a deeper understanding of the nature of God discipleship and the calling to holistic mission Ama Namin brings together the voices of Filipino evangelical scholars in a profound work of contextual and biblical theology Each chapter explores a

portion of the Lord's Prayer against the backdrop of Scripture and the foreground of Philippine life and spirituality. Contributors examine the rich history of the Lord's Prayer in the Philippines, a history dating back to the first printed translation in 1593, as well as its implications for the Philippines' future, providing the church a foundation for public engagement and social transformation. Ama Namin provides a valuable teaching resource for the Philippine church and for all those longing to deepen their understanding of prayer, the contextualization of Scripture, and the love of the heavenly Father.
