

Morning Prayer

The Graceful Chapter Thank you, God, for blessing me with another day of life.

Help me to make the most of it and to spread love and kindness wherever I go.

Help me to cherish each moment and make a positive impact on those around me.

Let my words and deeds reflect your grace and compassion.

Give me the strength to overcome challenges and the wisdom to make thoughtful decisions.

May I bring joy to others and be a beacon of your love in the world.

Thank you for the gift of today.

The Graceful Chapter

Amen

Prayer The Common Life:

Prayer and the Common Life Georgia Elma Harkness, 1948 *A Simple Life-Changing Prayer* Jim Manney, 2021-03-01 A Simple Life Changing Prayer is a valuable and thoughtful book and a very practical one which can be put with confidence into the hands of anyone who wishes to learn to pray the Examen and to find the presence and action of God in their lives Andrea Kelly Thinking Faith Sometimes we can experience prayer as formal dry and repetitious But what might happen if we discovered a simple prayer that changed all that In A Simple Life Changing Prayer Jim Manney introduces Christians to a 500 year old form of prayer that dramatically altered his perception of prayer and the way he prayed The prayer is the Examen which St Ignatius Loyola developed for the purpose of nurturing a reflective habit of mind that is constantly attuned to God's presence What makes the prayer so powerful is its capacity to dispel any notion that God is somewhere up there detached from our day to day tasks and concerns Instead the examen leads us into a relationship with a God who desires to be personally caught up in the lives of those whom he created *The Brotherhood of the Common Life and Its Influence* Ross Fuller, 1995-03-09 This book presents a lost tradition of inner work the way of the householder which was believed by the Brotherhood of Common Life to have been the teaching of the Apostles It focuses on the emergence amidst the decay of medieval culture of the mixed life this reconciliation of action and contemplation as the essential link between Catholic spirituality and Protestantism The transmission of this work to lay persons seeking the interior dimensions of their lives without withdrawing from the world is presented The hitherto monastic spiritual exercises for strengthening attention are discussed in depth The traditional and vital Christian knowledge of the human condition which the Brothers and Sisters verified for themselves is emphasized especially the crucial significance of the force of attention in the recollection of oneself and God The importance of strengthening attentive awareness is everywhere alluded to in the sources but virtually ignored in current accounts of the Christian heritage The book traces a transmission of spiritual exercises supported by a strong psychological base that is strangely familiar to the climate of today's search for meaning **Thomas À Kempis and the Brothers of the Common Life** Samuel Kettlewell, 1882 **Catholic nuns and sisters in a secular age** Carmen M. Mangion, 2020-01-09 This is the first in depth study of post war female religious life It draws on archival materials and a remarkable set of eighty interviews to place Catholic sisters and nuns at the heart of the turbulent 1960s integrating their story of social change into a larger British and international one Shedding new light on how religious bodies engaged in modernisation it addresses themes such as the Modern Girl and youth culture 1968 generational discourse post war modernity the voluntary sector and the women's movement Women religious were at the forefront of the Roman Catholic Church's movement of adaptation and renewal towards the world This volume tells their stories in their own words **The Daily Prayer Book, for the Use of Families, with Additional Prayers for Special Occasions.  life transforming conversations with a pastor around spiritual practices spiritual character personal and social ethics and
 emotional well being The model was trialed in five countries We heard time and time again how the six week process fired a
 passion to go deeper with Christ Some reported praying regularly for the first time in decades Others found the Scriptures
 coming alive after years of going through the motions In this book the authors present a simple but powerful method and
 offer in depth theological reflection on related issues Some of the important areas covered are early church approaches to
 spiritual formation contemporary spiritual practices spiritual character the indissoluble link between spirituality and moral
