Paul Stevens,2025-11-11 Work whether from home in cyberspace or in a factory or office occupies a major chunk of our time energy and soul This book seeks to make sense of our work in the world through adapting the pithy statement of the Puritan William Perkins to define marketplace theology as the science of working blessedly forever It is a science involving investigation not just with the head thought but also with heart prayer and hand practice But it is a science of working So the book investigates a theology of work undertaken in the light of God s blessing and purpose And our work is not just for this life but forever since some of it could last into the new heaven and new earth where guess what Scripture says we will work as fully human and resurrected beings Stevens gathers his lifetime of research and teaching into this book showing through biblical research and contemporary analysis the meaning of work and human enterprise It could change your lifestyle your workstyle and your soul *Paperbound Books in Print* ,1992
