Prayers Seven Contemplations Of The Sa:

Prayer and Contemplation Robert Llewelyn, 2000-08-31 Fairacres Publication 46 Prayer and Contemplation
Distractions are for Healing Two of Robert Llewelyn's works are combined in this edition In the first he discusses petition intercession and the various forms of vocal prayer as well as contemplation into which all Christians can expect to be drawn as they spend time with God In the second he suggests how wandering thoughts in prayer can be healing for the individual and by extension may be used for good in the lives of others

Queering Contemplation Cassidy Hall, 2024-05-21 What would it mean to queer contemplation To disentangle contemplative spirituality from heteronormativity patriarchy and Eurocentricity and instead engage with openness curiosity and a little weirdness The world of contemplative Christianity has yielded to the same voices for far too long many of whom are from centuries before our time with lives unlike our own and often from experiences disconnected from marginalization oppression and what it feels like to be an outsider Cassidy Hall an LGBTQIA Christian contemplative scholar and podcast host takes us on a journey to queer the contemplative tradition For Hall queering is not solely about identifying as queer or applying queer theory it is about what is gained by seeing things differently Queer she says is the way I tilt my head to look at the world As queerness reawakened her own contemplative life Hall discovered that queering and questioning the tradition allowed her to listen more closely to voices that are queer marginalized and oppressed voices that have long existed but have often been overlooked or silenced For Hall that also meant moving differently into contemplation into silence into liminality and ritual In showing us the way she helps us envision what contemplative faith can look like what spiritual spaces we can reclaim for welcome and how queering contemplation and lifting up queer contemplative voices frees us to seek the infinite possibility of our own identity and engage our spiritual lives with open hearts and open hands Whether you're queer or want to queer your own perspectives or whether you want to uncover the queerness and queer voices in the contemplative tradition Hall throws open the doors of contemplative spirituality for all bringing us to contemplation in very new sometimes old but always queer ways

Temple & Contemplation Corbin, 2013-10-28 First published in 1986 This volume brings together five lectures which were originally delivered at different sessions of the famous Erano's Conferences in Ascona Switzerland Henry Corbin himself had outlined the plan for this book whose title suggests that these diverse studies converge on a common spiritual centre
