A Prophet'S Journey Shirley Spencer,2013-07-05 There was a battle for my soul that warm October day in 1939 It was a spiritual battle for my destiny good versus evil The weather that twenty first day was unusually warm and by the time of my birth at 5 p m the thunderstorms were strong with lightning shooting across the heavens Another unusual detail of my birth was I was born with a veil over my head I would later find my superstitious family believed this to be significant If I had been born in a hospital no one would probably have known of the veil But my fathers family took great joy in this fact and though they went to church they kept their superstitions as well To them it meant I would be a fortuneteller or a psychic However there were conditions to fulfill before that superstition could manifest For me to receive this gift the veil must be buried in the ground If it were burned instead the gift would never come to pass This veil is sometimes referred to as a caul or hood that is the thin remnant of the amniotic sac In medieval times it was considered to be good luck and in the psychic community began to be called a veil It was believed by the psychics that a person born with this veil would have good luck and an unusual destiny I say only Gods people have a strange and peculiar destiny I became His prophet **The Christian Advocate** ,1924 **The Christian Workers Magazine** ,1918 **Religion Crossing Boundaries** ,2010-08-18 Across the past twenty years major change has taken place in the structure of global society with respect to the nature of migration The predominant pattern since at least the eighteenth century had been for peoples to move to and settle in Western countries permanently with relatively little substantive interchange with their former homelands hence adopting the modes of articulation characteristic of their new societies a process expressed with respect to the USA for example as Americanization This pattern has now changed and there is considerable interaction between homeland and migrant peoples One of the places this has become especially important is in religious exchanges While some negative effects of this process may grab headlines there have also been extensive positive interactions not least among African peoples especially with respect to pentecostal and allied religious movements The chapters in this book illustrate the variety of these exchanges Contributors include Wale Adebaniwa Edlyne Anugwom J Kwabena Asamoah Gyadu Marleen de Witte Laura Grillo Susan M Kilonzo Samuel Krinsky G raldine Mossi re Philomena Njeri Mwaura Joel Noret Ebenezer Obadare Damaris S Parsitau Mei Mei Sanford Linda van de Kamp and Rijk van Dijk **Daily Prayer Focus** Wendy Bowen,2020-06-05 Too often prayer is consumed with our own will our own problems and our own desired outcomes While it is good to bring our requests to the Lord what God desires is for our minds to be renewed in the truth so that when we pray we pray according to His will God has revealed His will through His Word This book gives Scriptures for praying according to the will of God on matters important to His heart Each day of the week has a particular focus topic Using this book as a guide for your prayers will increase your revelation knowledge and understanding of God s purposes Your prayers will become inspired and ignited by the Holy Spirit the Spirit of truth who delights to pray according to God s will **Record of Christian Work** Alexander McConnell,William Revell
