**Praying Successfully** Charles H. Spurgeon,1997-10-01 Tragic circumstances surprisingly changed a desperate cry for help heard and answered a nagging need met how can such things happen Through the powerful resource of prayer As you read these pages you will understand how to Turn adversity into advantage Get ahead without competing See your desires fulfilled Obtain the wealth available to you Find peace in life s storms Be free from sin Receive the free gift of salvation Begin to receive whatever you need from the Lord today The blessings of God are yours for the asking *How Christians Should Pray Better: A Believers Guide to Stronger, More Successful Prayers* Irby L Foster,2019-12-13 Many Christians seasoned or new to the body just do not know how to pray effectively While Christ gave his life for us to gain salvation the Christian walk only begins there Jesus seeks a daily relationship with us As members of his body we must actively work to use our prayers in spiritual war fair and place a hedge of protection around our selves our family and the rest of the body of Christ We can also use effective fervent prayers to combat sickness financial burdens and everyday burdens we face in our walk Most Christians just do not realize the responsibility to fight the good fight of faith requires daily prayer and fasting While some battles may be quickly won some may take days or weeks to realize victory All take faith and an understanding that while God wills victory it is not automatic but through deliberate faith that we experience success *Securing Strength to Prevail Through Fasting and Praying* Emmanuel Ogheneborhie,2012-07 Abstinence from food and drinks in any form as well as pleasure reduces the influence of the flesh on the soul while it promotes the dominance of the Spirit of God which gave life to man at creation God communicates with man through the spirit of man Herein are the ways to sustain the body to fast and benefit from fasting and prayers These are simple methods and tactics to survive through life by the spiritual strength of fasting and prayers The Necessity of Prayer Edward M. Bounds,2016-09-06 In this work Bounds offers up and explanation of how necessary prayer is in the Christian life Not only does prayer bring us before God but increases faith and dependence on God Bounds offers a few Biblical examples of praying people in the Bible and the benefits that came from it *Tools for Effective Prayer* Clarence Washington Sr.,2016-02-12 Just like your lifestyle your current prayer life is also perfectly designed to produce the result you are getting If you want a prayer life that will enable you to experience God s presence like you never have before and move Him to bless you like He has never blessed you before then you must start praying like you have never prayed before Tools for Effective Prayer will teach you how to do that There are some mechanics of prayers such as persistency and fervency that are essential for effective prayer However without the proper dynamics of prayer working to produce spiritual power in a person s life the positive effects of the discipline of proper mechanics are nullified Such is also the case with the contents of prayer If one s prayers don t include the essential contents effectiveness or power will be greatly diluted Writing the Vision Terry G. Nelson Sr.,2016-08-10 This book was written to share God s love by way of stories inspiring messages and more in hopes that the reader s life will be changed and that he or she will be drawn to the
