

Preaching According to the Holy Spirit

Pastors, does your preaching follow in the tradition of the apostles, whose preaching “turned the world upside down?” Or has God used your mediocre preaching to bring people to faith in Christ and to build up the saints—in spite of its significant weaknesses? The Word of the living God is not boring. It is not irrelevant. It is only poor preachers who make it seem so. The issue is not God’s power to bless but your power to harm!

In *Preaching According to the Holy Spirit*, Jay Adams sets forth the Holy Spirit’s concerns about preaching by studying our models—the apostolic preachers in the New Testament. He shows how you might say the right thing with the right words in the right manner at the right time. This book will help you to “do your best to present yourself to God tried and true, a workman who won’t be ashamed, cutting the Word of truth with accuracy” so that on the last day you will hear “Well done, you good and faithful servant.”

DR. JAY E. ADAMS was the director of Advanced Studies at Westminster Theological Seminary in California and the Dean of the Institute of Pastoral Studies at the Christian Counseling and Education Center. He is a frequent lecturer at ministerial conferences both here and abroad. He has published over 70 books, among which are *Competent to Counsel*, *The Christian Counselor’s Manual*, and *Christian Counselor’s Commentary Series*.

Preaching According To The Holy Spirit

James H. Harris

Preaching According To The Holy Spirit:

The Preacher as Liturgical Artist Trygve David Johnson, 2014-01-24 Trygve Johnson invites us to consider a new metaphor of identity of The Preacher as Liturgical Artist This identity draws on a theology of communion and the doctrine of the vicarious humanity of Christ to relocate the preacher's identity in the creative and ongoing ministry of Jesus Christ Johnson argues the metaphorical association of the preacher and artist understood within the artistic ministry of Jesus Christ frees the full range of human capacities including the imagination to bear upon the arts of Christian proclamation The Preacher as Liturgical Artist connects preachers to the person and work of Jesus Christ whose own double ministry took the raw materials of the human condition and offered them back to the Father in a redemptive and imaginative fashion through the Holy Spirit It is in the large creative ministry of Jesus Christ that preachers find their creativity freed to proclaim the gospel bodily within the context of the liturgical work of God's people

Preaching as the Word of God

Sam Chan, 2016-07-12 According to the Reformers preaching is the word of God As the word of God preaching is a foundation for the church It is also vital for the personal growth of a Christian But Christians are poorly equipped to understand how preaching is the word of God Some Christians look for preaching that closely reproduces the text in the Bible Other Christians look for preaching that creates maximal emotional and existential impact And there is a lot of name calling with Christians accusing preachers of not preaching the word But what type of preaching is the word of God The purpose of this book is to equip Christians to understand how preaching can be God speaking It accomplishes this with a survey of the problem in the history of the church a detailed overview of key biblical texts and finally the application of the contemporary philosophical tool of speech act theory

Almost The Whole Thing

James C. Uwandu, 2011-01-19 GOD did not intend that any should perish for that HE did not only let HIS Son JESUS die to redeem the sinful world but HE called teachers and prophets to teach the people HIS righteous ways so that they may have eternal life and not be punished in hell as HIS justice requires Unfortunately to some of us the same teachers whom GOD has called for the true Gospel of JESUS CHRIST to win souls for the kingdom of GOD has adopted the ways of this world and has abandoned the reason why the LORD called them Their call to turn sinners to righteousness has become unmentionable in their churches and they grow weak every day in converting sinners because the devil has made them believe that mentioning sin may be offensive to some of their members who already know that they are sinners Since their minds are set in pleasing and winning people for themselves rather than winning souls for GOD they have found fancy and entertaining ways of setting aside the commands of GOD in order to observe their men introduced traditions For that and more the LORD spoke to me in my dream and revealed to me in a vision

a verse in the Bible which you will find inside this book that HE is not happy that the teachers have neglected the more important matters of HIS kingdom which is living to inherit eternal life HE automatically made me a writer so that I may enter the enemy zones and rescue those that the devil holds captive through the words of those material minded teachers and the false prophets To bring to light the desire of the LORD for HIS people to HIS people so that we may know where we are going wrong and be able to work it out with the help of GOD through JESUS CHRIST and the HOLY SPIRIT Peace and love to you

Christianity Without the Cross Thomas A. Fudge, 2003 Grounded in primary source research this boldly revisionist book examines the doctrine of salvation in Oneness Pentecostalism United Pentecostal Church from its origins through its several developmental stages The gradual rise of a literal interpretation of Acts 2:38 eliminated a tradition of doctrinal diversity within Oneness thought which regarded salvation as occurring at repentance prior to water and Spirit baptism With this development a main link to the wider stream of evangelical Christianity was severed The water and Spirit theology resulted in a form of Christianity which does not necessarily require the cross in any meaningful sense for salvation This study recovers the lost theological tradition associated with important figures such as Howard A Goss A D Gurley W M Greer C H Taddon Wynn T Stairs Earl Jacques E P Wickens John Paterson and the Pentecostal Church Incorporated Combining traditional historical methodology and theological research with the principles of a broadly based oral history this study argues for a theological diversity within the history of Oneness Pentecostalism and in so doing bridges an important gap in the history and theology of the United Pentecostal Church

Persuasive Preaching R. Larry Overstreet, 2021-06-01 Michael Dudit executive editor of Preaching Magazine writes in the foreword that the reader will find in this book a valuable discussion of what persuasion really is what the Bible has to say about it how it is modeled in the New Testament and what role persuasion should and should not play in our own preaching in the twenty first century The author has provided solid biblical content and practical guidance that will be a powerful resource for preachers and church leaders He writes with clarity and dare I say it persuasive power I hope you will be as blessed by this book as I have been Publisher

Spirit-Led Preaching Greg Heisler, 2007-02-01 In the words of author Greg Heisler Spirit Led Preaching is a call issued to preachers pastors and teachers of homiletics to recover the Holy Spirit for expository preaching in the same way we have recovered the biblical text My plan for doing this is to recover the doctrine of pneumatology the study of spiritual beings phenomena for our theology of preaching resulting in a renewed emphasis on the powerful combination of Word and Spirit working together as the catalyst for powerful expository preaching Heisler thoroughly examines how the Holy Spirit illuminates and empowers the preacher opens the hearts of the hearers and applies the message to their lives Indeed to ignore the Holy Spirit's role in sermon preparation and delivery would be a considerable oversight
