Preaching The Gospel Without Easy Answers:

Seasons of the Christian Life Robert Cummings Neville, 2016-07-04 Once liberal Christianity was preached in ways that defined it in the public eye Now Christianity is identified almost exclusively with its conservative expressions Seasons of the Christian Life presents a series of sermons articulating a liberal Christianity over against its conservative neighbors They were preached at the University Church Marsh Chapel at Boston University save for one preached in Memorial Church at Harvard during the 2004 2005 academic year when President George W Bush was reelected and the country was at war in Iraq and Afghanistan and at war with terrorists wherever they could be imagined The sermons follow the Revised Common Lectionary and focus on biblical interpretation as it is applied to the then current spiritual cultural social and political situation The author is a professor of theology and at the time was Dean of Marsh Chapel and Chaplain of the University

The Kerygmatic Spirit Amos Yong, 2018-11-06 This collection of fifteen sermons by one of the leading pentecostal theologians today provides insight into the form style and content of preaching in the pentecostal tradition while also being suggestive of normative homiletical theory and practice The Kerygmatic Spirit argues that Spirit empowered preaching is apostolic not only with regard to being rooted in the scriptural traditions but also with regard to connecting the that of the early Christian message with the this of contemporary experience and discipleship Hence rather than only reflecting pentecostal preaching of the sort that happens in the pulpits of churches connected to the modern movement by that name these sermons are presented as the participating in the form of gospel proclamation inspired and empowered by the divine Spirit poured out on all flesh on the Day of Pentecost by the risen Christ from the right hand of the Father Whether read or heard there are links to video and audio archives throughout these homilies are illustrative of exegetical and expository practice that connects the biblical text with Spirit filled faithfulness in the twenty first century ecumenical church and world at large [search the scriptures new testament studies in honor of raymond t. stamm](#) Raymond Thomas Stamm, 1969
