## Preaching With Spiritual Vigour:

**Preaching with Spiritual Vigour** Murray A. Capill, 2003 Two trends are deadly to vital preaching on the one hand a subjective entertainment orientation for the crutch of popularity on the other a dry intellectual zimmer frame encouraging impressions of depth and thoughtfulness We need guidance and help that doesn't send us staggering after the latest fad

*Preaching Christ in a Postmodern Culture* K. A. Beville, 2010-04-16 Starting with some observations relating to shifts in ecclesiology and identifying them as a move beyond contextualization to syncretism this work goes on to assess the feasibility of preaching in a postmodern culture which rejects both the idea of absolute truth and authority used as power It traces the historical and philosophical development of postmodernism The Enlightenment project is deemed to have failed and Christianity is perceived as an oppressive metanarrative In a world that is becoming increasingly sceptical and where preaching practitioners are becoming disillusioned this book offers some guidelines about preaching to postmoderns In a relational age rationality is impotent but the author distinguishes between authoritative and authoritarian preaching allowing hope for the survival of the homiletic task Humility is presented as preferable to certitude and persuasion is redefined The author suggests using an inductive mode of communication as a means of engaging postmodern listeners He signposts a way forward in the labyrinthine complexity of the new paradigm and demonstrates that the homiletic task is still feasible Thus this book will be of interest to teachers and students of theology as well as pastors desiring to develop a new apologetic strategy

**The Wesleyan methodist Church record**, 1892     *The Christian miscellany, and family visiter*, 1863     **The Primitive Methodist Magazine**, 1862     *The Expository Times*, 1890     **John of the Golden Mouth; Preacher of Antioch ...** Walter Macgilvray, 1871     *The Contemporary Review*, 1874     **Spurgeon** Keeney Dickenson, 2024-10-03 The priority a pastor places on preaching is best measured by his investment of prayer Wholehearted prayer reflects high priority and limited prayer means low priority It is tragic when sermons are mechanically written as an academic exercise with a brief invocation and benediction This book contains the tools needed to develop a pulpit ministry that is prioritized in prayer Charles Spurgeon is a worthy example of balancing theological acuity and pastoral spirituality His example as illustrated in this book will point the pastor to Christ and call him to give himself continually to prayer and the ministry of the word
