Preaching Apocalyptic Texts:

Apocalypse When? Leah D. Schade, Jerry L. Sumney, 2020-09-09 Apocalyptic texts are often seen as either frightening or irrelevant a tool for fearmongering and manipulation or for the lucrative doomsday industry But *Apocalypse When* Interpreting and Preaching Apocalyptic Texts equips readers to understand these texts as sources of encouragement and strength for the church As the world faces threats of war poverty climate and environmental crises and political upheaval churches can draw on the wisdom and courage of our biblical ancestors who faced their own calamities and persecutions Their struggles against powerful economic militaristic cultural and social forces drew them closer to God We have much to learn from their faith ethical integrity and dedication to the promises of God that engender hope in the midst of turmoil and terror With solid historical exegesis thought provoking ideas for preaching and examples of sermons that creatively and compellingly proclaim God's word this book provides much needed guidance for the church in tumultuous times

Preaching in the New Creation David Schnasa Jacobsen, 1999-01-01 Most preachers have little fondness for apocalyptic texts because of their scathing language surrealistic plots and enigmatic symbols David Jacobsen helps preachers move past these barriers with clear step by step directions and insightful analysis showing how to move from text to sermon for the apocalyptic texts included in the lectionary

Unmasking Apocalyptic Texts Dorothy Jonaitis, 2005 In this original and insightful book Dorothy Jonaitis offers a refreshing alternative to the popular view of biblical apocalyptic writing as gloom and doom fire and brimstone literature Rather she presents it as literature of hope and its authors as people who knew how to use their creative imaginations to communicate their hope filled messages The reader will come to see the apocalyptic authors of both the Old and the New Testaments as dramatists and will learn to preach teach and imagine their writings as dramatic messages to be applied in contemporary times of crisis

Preaching Apocalyptic Texts Larry

Paul Jones, Jerry L. Sumney, 1999 Larry Paul Jones and Jerry L. Sumney show how to preach the Bible's apocalyptic texts while avoiding the most common mistakes using texts that are metaphorical too literally to predict political events and using texts that are communal too individualistically to describe the experience of faith
