*Preaching Better* Kenneth Untener, Ken Untener, 1999 Most homilists can do better and this book gives them the hands on help they need to make that happen *Preaching Better* is a compendium of practical advice by a bishop who preaches and who teaches the art of preaching Here one can find wise helpful and down to earth suggestions on the how of homiletics The book is experience driven based on the insights of people who preach well and those who know a good sermon when they hear it BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Setting the World on Fire* Laura R. Dejmek, 2014-08-19 Laypersons receiving a divine call to preach in the Roman Catholic Church may feel caught between a rock and a hard place both figuratively and ecclesiastically They may feel constrained between the Rock of Peter and the hard place of resistance to the preaching gift they believe they have and their desire to share it At first glance the Roman Catholic Church with its two millennia of Sacred Tradition seemingly offers little that favors the inclusion of lay preachers In addition many lay preachers may experience the bias of clergy and assembly members who unconsciously presume there is no role for laity to preach within the Roman Catholic Church Preaching does not occur solely within liturgical settings or only via pulpit preachers All Dominicans as members of the Order of Preachers are called to embody the Sacra Praedicatio the Sacred Preaching In fact canon law does permit laity to preach in certain liturgical settings *Setting the World on Fire* details one Roman Catholic woman s experience of her own call to preach the grace and gifts brought to both the preacher and the assembly as well as her desire to help all Dominicans and indeed all Christians embrace their rightful role as preachers **Preaching in the Sunday Assembly** James A. Wallace, 2010-11-01 What should preachers aim for in Sunday preaching In 1982 the USCCB document *Fulfilled in Your Hearing* The Homily in the Sunday Assembly answered this question Here in a pastoral commentary on *Fulfilled in Your Hearing* several Catholic scholars in homiletics liturgy and biblical studies both appreciate the abiding insights of *Fulfilled in Your Hearing* and also propose areas for continuing reflection Following the four sections of the Bishops document The Assembly The Preacher The Homily and Homiletic Method This commentary emphasizes the document s continuing importance for the initial and ongoing formation of Catholic liturgical preachers while also inviting conversation about present day cross cultural liturgical and communication concerns for Catholic preaching Priests deacons seminarians bishops and all others engaged in the preaching task are invited to deepen their appreciation of the homily s unique role in the liturgical life of the church and to stir their enthusiasm for preaching and preaching preparation **AAR/SBL Annual Meeting Program** American Academy of Religion. Meeting, 1998 *Preaching Words* John S. McClure, 2007-01-02 John McClure s *Preaching Words* highlights the most important ideas in homiletics and preaching offering short explanations of these ideas what scholars of preaching are saying about them and how they can help in today s preaching Topics range from elements of the sermon introduction body and conclusion to aspects of delivery types of preaching in different Christian traditions and theories of preaching **Books In**
