Preaching Genesis 12 36:

Preaching Christ from Genesis Sidney Greidanus, 2007-06-25 Sidney Greidanus's previous two preaching books *The Modern Preacher and the Ancient Text* and *Preaching Christ from the Old Testament* have received wide acclaim. *Preaching Christ from Genesis* offers more of Greidanus's solid practical homiletical fare. Packed with unique features, *Preaching Christ from Genesis* uses the latest scholarly research to analyze twenty-three Genesis narratives, presents the rhetorical structures and other literary features of each narrative, discloses the message for Israel, theme as well as the authors' likely purpose, goal, explores various ways of preaching Christ from each narrative, offers sermon exposition and commentary in oral style, suggests relevant sermon forms, introductions and applications. Including helpful appendixes: Ten Steps from Text to Sermon, An Expository Sermon Model, and three of the author's own Genesis sermons, this volume will be an invaluable resource for preachers and Bible teachers. Publisher

Abrahamic Covenant: Genesis 15:9, 10, 17 Godwin Nyamida, 2024-04-09 This book is the outcome of the thesis researched on completing his Master of Theological Studies. It is about the nature of the event carried out during the covenant established between God and Abram where God asked Abram to present five animals to ratify the promises he makes to him. That event is characterized by ceremonial rites which convey symbolic meanings wrapped up in different theological conceptions. The author attempts to introduce the readers into the story of the text by revealing the varying projected themes as well as narrow and eliminate the least likely related concepts while clarifying misconceptions associated with the event.

Preaching Christ from the Old Testament Sidney Greidanus, 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament, Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously. Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament. Suggesting specific steps and providing concrete examples, this volume provides a practical guide for preaching Christ from the Old Testament.

The Reluctant Journey Richard Leslie Parrott, Refraction, 2014-10-21 Imagine the God of the universe whispering in your ear: "What shall we create out of your life that will serve My purpose? The path of authenticity is not a solo endeavor but a calling to a partnership with God that requires utter honesty, trust, commitment, and wisdom. God guides your path with a two-fold promise: 'You know I love you as you are, but together we can make of your life what I created you to be.' Following the petitions of our Lord's Prayer, Dr. Richard Parrott examines a family of authentic partners: the family of Abraham and Sarah, their son Isaac, grandson Jacob, and great grandson Joseph. This fresh telling of the story reveals practical answers to the question: "How can my partnership with God be genuine, mature, and significant?" *The Reluctant Journey* is an honest and practical guide for relating to God. As authentic Christians, we can live true in Christ and our love for him each day, choosing His best for us so that together we advance His kingdom on earth as it is in heaven. Features include: Truths from the Lord's Prayer, Stories of the founders of our
