How to Preach the Miracles John E. Sumwalt, 2007 With contemporary stories and insight into ancient texts John Sumwalt invites readers into the mystery of God's active palpable presence in the world When we decide to live in God's presence we are in position to see hear believe and experience the miraculous in our daily lives Bishop Rueben P Job Author of *Living Fully Dying Well* Former editor *The Upper Room* Since modern culture explains the world through scientific rationalism there are many people in our pews who are skeptical about miracles No matter how credible the source our society tends to view those who speak of miracles as purveyors of superstition and magical thinking That presents a significant problem when discussing the resurrection and the other miracles recorded in scripture so what can the preacher do John Sumwalt says the answer is to begin like Jesus did by telling stories of the mysterious saving presence of God This is the realm in which Jesus did his miracle work a dimension of reality that is readily accessible to all who are hungry for it Tell the miracle stories from the Bible along with those that are happening in our own time In this fascinating volume Sumwalt brings a storyteller's perspective to nine miracle passages in Cycle A of the Revised Common Lectionary His rich biblical commentary is filled with numerous illustrations and tellable sermon stories including over 30 contemporary accounts of miracles In this beautifully written book John Sumwalt shows you how to preach the miracle stories in ways that reach modern congregations Full of warm and engaging stories it reaches straight for the heart This is a wonderful book that will connect you and your congregation to the scriptures in fresh ways It's certain to warm the heart of anyone who reads it I look forward to using it over and over again as a source for my sermons Deacon Eddie Ensley Author of *Prayer That Relieves Stress and Worry* John E Sumwalt is the lead pastor of Wauwatosa Avenue United Methodist Church in suburban Milwaukee A noted storyteller and seminar leader he is the author of nine christian books including the acclaimed *Visions* series CSS John and his wife Jo Perry Sumwalt served for three years as co editors of the online service StoryShare www.sermonsuite.com [Preaching the New Testament](#) Ian Paul, David Wenham, 2013-02-01 Editors Ian Paul and David Wenham present this collection of scholarly reflections on preaching from the New Testament With an impressive cast of senior and younger scholars the book covers all the main texts and genres of the New Testament adding key chapters on the infancy narratives parables miracles archaeology hermeneutics and more [Preaching the Miracles of Jesus](#) Hillyer Hawthorne

Straton,2011-08-01 **A Bucket Full of Miracles** Jeff Wedge,2004 The stories of Jesus miracles are challenging to modern sensibilities with today s scientific and technological knowledge we have become somewhat jaded finding it difficult to be really amazed by anything we encounter And the miracle stories are so familiar that we rarely mustering any sense of wonder about them especially if we look for logical explanations But Jeff Wedge maintains that in order to understand the miracles of the Bible we must recapture this sense of wonder for underlying them is the joy excitement and mystery of the world in which we live Packed with valuable idea starters and rich material for sermon development *A Bucket Full Of Miracles* provides a detailed exploration of the nine miracle stories in Cycle A Each chapter includes the biblical text along with an examination of the words the people and the action of the lesson as well as several illustrations and possible preaching approaches But this book is much more than just a sermon preparation resource it s also stimulating reading for anyone who wants greater insight into these marvelous stories of God s power at work *Preaching the Miracles, Series III, Cycle B*

Harold H. Lentz,1999 One cannot read the miracles of Christ reported in the gospel of Mark without being convinced of the divinity of Christ John Mark repeatedly records Christ s divine powers over nature illness severe physical handicaps and sin These events in which God s power entered into human situations had profound effects on those who witnessed them and they continue to teach us great spiritual truths today Pastors will find this volume packed with valuable idea starters for their sermons For each miracle in Cycle B Harold Lentz shares background material sermon approaches and several illustrations Instead of wondering What shall I preach on this Sunday you ll be thinking I can t wait to share all this information with my people Harold H Lentz served as pastor of Trinity Lutheran Church in Ashland Ohio prior to becoming the president of Carthage College in Kenosha Wisconsin As a pastor he increased the active membership of his congregation from 725 to 1 067 His Sunday morning sermons were broadcast and according to surveys were heard by more listeners than popular national preachers As president of Carthage College Lentz oversaw the relocation of its campus from Carthage Illinois to Kenosha Wisconsin This multi million dollar effort resulted in a quadrupling of enrollment The recipient of three honorary degrees Dr Lentz earned his Ph D with honors from Yale University where he was named a University Fellow He also holds degrees from Wittenberg University Hamma School of Theology and Oberlin College This is his fifth publication *Critical and Exegetical Handbook to the Gospel of Matthew* Heinrich August Wilhelm Meyer,1877 **God's word through preaching. Ordinary Words, Extraordinary Deeds John W. Wurster, 2003 The stories of Jesus miracles can be challenging to modern sensibilities conditioned as we are to believe that there must be a logical explanation for water being turned into wine or nets suddenly overflowing with fish But John Wurster suggests that for contemporary preachers and their listeners the most important question raised by these remarkable accounts is not How did they happen but rather What do they mean Ordinary Words Extraordinary Deeds helps answer that question by exploring the theological significance of the nine miracle stories appearing in Cycle C of the Revised Common Lectionary Each chapter includes the biblical text along with interpretive reflections that set the passage in its literary context and connect it to major themes of the gospel writer There s also a section investigating a variety of preaching possibilities and offering brief thoughts about what these texts tell us about the sacraments since like the miracles the sacraments make grace evident in ways we can touch and feel Specifically geared for the busy pastor with limited time this is an excellent volume packed with valuable idea starters and rich material for sermon development But it s also stimulating reading for anyone who wants greater insight into these marvelous stories of God s power at work Chapter titles include The Star Matthew 2 1 12 Wedding At Cana John 2 1 11 Jesus Transfigured Luke 9 28 36 The Lepers Luke 17 11 19 and five more John W Wurster is a graduate of Trinity University in San Antonio Texas B A summa cum laude Princeton Theological Seminary M Div and Austin Presbyterian Theological Seminary D Min

Currently the pastor of First Presbyterian Church in Findlay Ohio Wurster has previously served congregations in Texas Ohio New Jersey and Pennsylvania He is the author of What If What They Say Is True CSS a collection of sermons on prophetic texts **The Homiletic Review** ,1889 *The Thinker* ,1894 **Preaching the Miracles** Dallas A. Brauninger,1996 While this book offers information for the sermon writer the design of its contents provides more than the ho hum It avoids presenting a ready made cloak of words for a morning sermon Instead it invites preachers and their audiences to explore the gap between the back then and the now It not only helps answer questions it generates them a crucial element in understanding the miracles of Jesus Five sections are devoted to each of the nine miracles in Cycle B all from Mark Text For easy access the entire lectionary text is provided preventing the need to flip back and forth to the Bible What s Happening This gives a synopsis of points of action within each miracle story By reviewing the story action readers define its movement the conflict and the change or resolution Connecting Points Conversations This section offers the central material of each chapter Here Brauninger engages the preacher in an imaginary exchange before the text is given its usual preparatory attention A visit with main characters and an occasional bystander nudges readers toward stepping into their sandals This section invites the preacher and listening audience This section invites the preacher and the listening audience to ask questions relevant for them thus expanding their questioning and therefore their understanding Words Here significant words are examined While this work is not intended as a scholarly study it assists in placing things in proper context Gospel Parallels This section highlights similarities and differences among parallel stories and other gospels There is also a helpful bibliography included This new series from Brauninger promises to be a favorite among preachers Through it audiences will become aware of how God speaks to them through miracle stories and will enable them to hear their inner voice and more clearly understand it themselves Dallas A Brauninger received her Master of Divinity and Doctor of Divinity degrees from the Chicago Theological Seminary A full time writer Brauninger has served churches in Colorado and Nebraska She and her husband also an ordained minister in the United Church of Christ live in West Point Nebraska This is her seventh book The Latter-Day Saints' Millennial Star ,1887
