How Effective Sermons Advance Ben Awbrey, 2010-12-20 Sermon structure has been deemed an important component of preaching throughout the history of preaching by preaching instructors and practitioners alike Many have made a case for the bearing that sermon structure has for the effective preaching of Scripture However sermon structure when incorporated

in a sermon often is not as serviceable as it could and should be This book provides instruction for how sermon structure can serve to principlize Scripture by using statements of theological principle in the sermon outline Therefore the timelessness and the timeliness of Scripture are prioritized through statements of theological principle providing doctrinal accuracy and personal relevance which are apparent in the outline of the sermon How Effective Sermons Advance provides a thorough and comprehensive treatment on the highly significant matter of sermon structure *2nd Corinthians* D. The Beginning This book is the seventeenth in a series of verse by verse preaching from various New Testament books of the Bible It is an attempt to bring to the minds of the readers two things 1 the meaning of the words in the verses and 2 some practical applications of those words to the lives of both genuine Christians and non Christians Paul is the apostle of Jesus Christ by God s will Before this he imprisoned and agreed to the killing of Christians The Lord Jesus Christ met him as he was going to Damascus to imprison Christians On his way there the Lord Jesus Christ saved him and called him to be an apostle I believe Paul not Mathias was chosen by the Lord Jesus Christ to take the place of Judas Iscariot who betrayed the Saviour Timothy was with Paul when he wrote 2 Corinthians and he was right there in the church of Corinth with all the genuine Christians in Achaia or northern Greece This was Paul s second letter to them In his first letter he excoriated them because one of the men had committed incest with his father s wife Paul is trying to encourage them in the things of the Lord Jesus Christ Mediaeval Preachers and Mediaeval Preaching John Mason Neale, 1873 **The Theory of Preaching** Austin Phelps, 1895 *Letting The Text Win* J.K.
