

# Example of Annotated Bibliography in MLA Format (with Evaluations of the Source)

The diagram illustrates the MLA format for an annotated bibliography. It shows two entries, each with a citation and an annotation. The citation is centered, and the annotation is indented 1/2 inch. The entire entry is centered on the page. The citation is followed by the author's name and page number, right-aligned. The annotation is followed by a summary and an evaluation. The diagram includes red arrows and text labels indicating the format requirements.

**Citation** → **Centered** → **Annotated Bibliography**

**1 inch margin** (top and bottom)

**1/2 inch** (indent for annotation)

**1 inch margin** (right)

**Summary**

**Evaluation**

**1 inch margin** (left)

**Annotations:**

Doerr, John. *Measure What Matters: How Google, Bono, and the Gates Foundation Rock the World with OKRs*. Penguin, 2018.

This book is written by Doerr, who is the chair of a venture capitalist group. The book describes how business organizations can use OKRs to drive the focus of a company through agility, which leads to explosive growth. There are first-person, behind the scenes case studies narrated by leaders like Bill Gates and Bono. This book helps guide understanding of business and management strategies that drive the success of large companies.

Wilson, John Philip. *When the Texans Came: Missing Records from the Civil War in the Southwest*. UNM Press, 2001.

This book contains 282 original letters, song lyrics, casualty lists, transcripts of witness testimony, original newspaper accounts. It's a supplement to the anthology published in 128 volumes "The War of the Rebellion: A compilation of the Official Records of the Union and Confederate Armies". The author is a historian-archaeologist. This book is an excellent source for primary documents and offers a fresh narrative of the civil war in the New Mexico territory. Many people think of the Civil War as a battle between the Union and the Confederacy. This book gives the Civil War history researcher a glimpse at the battles happening in the Southwest, as well.

## Tips:

- Clear font like Times New Roman, 12 pt., double spaced
- 1 inch margins throughout
- Last name and page number 1/2 inch down, right aligned
- List authors in alphabetical order
- First line of annotation indented 1/2 inch

## **Precolonial Botswana An Annotated Bibliography And Guide To The Sources:**

*Historical Dictionary of Botswana* Barry Morton, Jeff Ramsay, 2018-06-13 The death of Botswana's last founding father Sir Ketumile Masire in June 2017 marked the end of an era. Since the release of the Fourth Edition of *Historical Dictionary of Botswana* in 2008, Botswana has gone through its most turbulent and divided decade to date. Throughout September 2016, when Botswana celebrated its 50th anniversary of independence, all the successes of the Seretse and Masire era were sources of massive national pride. Botswana had expanded provisions of electricity, water, education, and health services to almost all of its people and become a model nation that owned its natural resources and plowed the profits back into the nation's development. Despite these successes, Botswana has a high unemployment rate of about 20 percent and a much larger cohort of the underemployed. This fifth edition of *Historical Dictionary of Botswana* contains a chronology, an introduction, appendixes, an extensive bibliography, and more than 700 cross-referenced entries on important personalities and aspects of the country's politics, economy, foreign relations, religion, and culture. This book is an excellent resource for students, researchers, and anyone wanting to know more about Botswana. *Historical Dictionary of Botswana* Fred Morton, Jeff Ramsay, Part Themba Mgadla, 2008-04-23 In September 2006, Botswana celebrated its 40th anniversary of independence. During its four decades of freedom, the average individual annual income in Botswana has risen from less than 500 in 1966 (in today's prices) to more than 5,000 in 2006. It has held nine open and free national elections; it has expanded the provision of electricity, water, education, and health services to most of its people; and it has become an archetype for other nations wanting to put the profits from its natural resources back into the nation's development. While much has improved in the country, Botswana still faces three major issues: the AIDS epidemic, the tens of thousands of refugees from South Africa, Namibia, and Zimbabwe, and conflict diamonds. The fourth edition of the *Historical Dictionary of Botswana*, through its chronology, introductory essay, appendixes, map, bibliography, and hundreds of cross-referenced dictionary entries on important persons, places, events, institutions, and significant political, economic, social, and cultural aspects, provides an important reference on this burgeoning African country. ***Encyclopedia of African History 3-Volume Set*** Kevin Shillington, 2013-07-04 Covering the entire continent from Morocco, Libya, and Egypt in the north to the Cape of Good Hope in the south, and the surrounding islands from Cape Verde in the west to Madagascar, Mauritius, and Seychelles in the east, the *Encyclopedia of African History* is a new A-Z reference resource on the history of the entire African continent. With entries ranging from the earliest evolution of human beings in Africa to the beginning of the twenty-first century, this comprehensive three-volume *Encyclopedia* is the first reference of this scale and scope. Also included are 99 maps. ***Botswana Notes and Records***, 2009 ***Popular Politics in the History of South Africa, 1400-1948*** Paul S. Landau, 2010-09-20 *Popular Politics in the History of South Africa, 1400-1948* offers an inclusive vision of South Africa's past. Drawing largely from original sources, Paul Landau presents a history of the politics of the country's people from the time of their early settlements in the elevated

heartlands through the colonial era to the dawn of Apartheid A practical tradition of mobilization alliance and amalgamation persisted mutated and occasionally vanished from view it survived against the odds in several forms in tribalisms Christian assemblies and other seemingly hybrid movements and it continues today Landau treats southern Africa broadly concentrating increasingly on the southern Highveld and ultimately focusing on a transnational movement called the Samuelites He shows how people s politics in South Africa were suppressed and transformed but never entirely eliminated
