Persons And Personal Relationships Love Identity And Ethics:

A Companion to Applied Ethics R. G. Frey, Christopher Heath Wellman, 2008-04-15 Applied or practical ethics is perhaps the largest growth area in philosophy today and many issues in moral social and political life have come under philosophical scrutiny in recent years Taken together the essays in this volume including two overview essays on theories of ethics and the nature of applied ethics provide a state of the art account of the most pressing moral questions facing us today Provides a comprehensive guide to many of the most significant problems of practical ethics Offers state of the art accounts of issues in medical environmental legal social and business ethics Written by major philosophers presently engaged with these complex and profound ethical issues Historical Dictionary of Ethics Daniel Bonevac, 2023-10-15 Ethics the practical part of philosophy tries to answer three questions central to human life What kind of person should I be What should I do How should I decide It defines describes and explains the important terms concepts theories and thinkers from all areas and eras of the history of ethics from Abba Mika el to Zhuangzi from the Abilene Paradox to Zen Buddhism including such central figures as Aristotle Hegel Kant and Plato as well as lesser known thinkers such as Clarke Fichte Meinong and Xenophon It covers Western and non Western traditions and presents detailed treatments of ancient and medieval ethics including discussions of each of Plato's dialogues that concerns ethical topics It covers both analytic and continental approaches to contemporary moral thinking Historical Dictionary of Ethics Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 600 cross referenced entries on the important terms concepts theories and thinkers from all areas and eras of the history of ethics This book is an excellent resource for students researchers and anyone wanting to know more about ethics **The Ethics of Relationships**, 2025-09-04 Relationships are of utmost importance to our lives in that they give rise to various kinds of goods Yet they also make us vulnerable to distinct kinds of wrongs and harms So far philosophers have given some attention to the topics of friendship parent child relationships and love but many other kinds of relationships have been neglected Moreover philosophical theorizing has mostly focused on the value of relationships while the wrongs and harms involved in leading a particular relationship have hardly been investigated Similarly relationships have been analyzed as rather static phenomena but once we realize that they wax and wane and can even come to an end further moral challenges come into view This edited volume makes a major contribution to establishing an ethics of relationships through its analysis of many different kinds of relationships The chapters in this collection offer an in depth understanding of the distinct nature and value of relationships while also highlighting the dark sides of relationships and their distinct moral intricacies Contributions cover the relationship to self sibling relationships friendships and romantic partnerships including relationships between former partners More socially mediated connections are also discussed such as neighbours colleagues students and teachers as well as fans and celebrities In addition negative relationships like those between enemies and those between victims and perpetrators are explored in

detail The final chapters examine relationships with non human entities including companion animals and AI systems Through its wide ranging coverage and insightful analysis The Ethics of Relationships significantly broadens the scope of discussion and elucidates the normative significance of relationships **Archiv für Rechts- und Sozialphilosophie** Josef Kohler,Fritz Berolzheimer,2000 Encyclopedia of Ethics: P-W Lawrence C. Becker,Charlotte B. Belliotti,1995 Outlining the unwritten but deeply ingrained system of moral codes that Italian immigrants brought to America Belliotti examines that system in relation to moral theorists who argue we owe the most to people close to us and those who contend we must attach no special weight to our own interests when determining proper moral action He also investigates philosophical historical sociological and political aspects of government authority examines conflicting images of Italian immigrant women and analyzes war and pacifism *Personal Relationships* Hugh LaFollette,1995-11-15 This volume is a philosophical introduction and exploration of the nature and value of personal relationships It is an ideal text for introductory philosophy ethics or applied ethics courses **Subject Guide to Books in Print** ,1996 *What Is a Person?* Christian Smith,2010-09-15 What is a person This fundamental question is a perennial concern of philosophers and theologians But Christian Smith here argues it also lies at the center of the social scientist s quest to interpret and explain social life In this ambitious book Smith presents a new model for social theory that does justice to the best of our humanistic visions of people life and society Finding much current thinking on personhood to be confusing or misleading Smith finds inspiration in critical realism and personalism Drawing on these ideas he constructs a theory of personhood that forges a middle path between the extremes of positivist science and relativism Smith then builds on the work of Pierre Bourdieu Anthony Giddens and William Sewell to demonstrate the importance of personhood to our understanding of social structures From there he broadens his scope to consider how we can know what is good in personal and social life and what sociology can tell us about human rights and dignity Innovative critical and constructive What Is a Person offers an inspiring vision of a social science committed to pursuing causal explanations interpretive understanding and general knowledge in the service of truth and the moral good *Polis and Politics* Andros Loizou,Harry Lesser,1990 **The Philosopher's Index** ,2008 Vols for 1969 include a section of abstracts The Case for Gay Rights David A. J. Richards,2005 As Americans wrestle with debates over traditional values defense of marriage and gay rights reason often seems to take a back seat to emotion In response legal scholar Richards reflects upon the constitutional and democratic principles relating to privacy intimate life free speech tolerance and conscience that underpin these often heated debates The distillation of Richards s thirty year advocacy for the rights of gays and lesbians his book provides a reflective treatise on basic human rights that touch all of our lives He places

in context two key Supreme Court cases the 1986 Bowers v Hardwick decision and the 2003 Lawrence v Texas decision which overturned it Drawing upon his own experiences as a gay man Richards interweaves personal observations with philosophical political judicial and psychological insights to make a case that gays should be entitled to the same rights and protections that every American enjoys From publisher description *Theologie und Philosophie* ,1998 Contains critical reviews and bibliographies **An Introduction to Christian Ethics** Roger H. Crook,1990 The Theory of Morals M. Timur,1965 The Paradox of Christian Sacrifice Erin Lothes Biviano,2007 Women often hear about the call to sacrifice for the sake of country for family or for men How can they creatively sacrifice without losing what is essential in themselves This perceptive new study shows a hopeful feminist Christian response to this life long challenge Paperbound Books in Print 1995 Reed Reference Publishing,R5ference Reed,1995-12 *The Ethics of Personal Life* Edward Howard Griggs,1906 **Ethics** John K.
