

Pétain Et De Gaulle

Rudolf von Albertini

Pétain Et De Gaulle:

Pétain et De Gaulle Jacques Le Grougnec, 1998 **Marshal Pétain** Richard Griffiths, 2011-05-19 Marshal Philippe Pétain was in the words of historian Andrew Roberts the most controversial Frenchman of the twentieth century A truly distinguished soldier who rose from humble origins he commanded French forces at Verdun in 1916 and became a national hero But though by 1940 he had become French Deputy Prime Minister his political abilities were meagre And after France fell to the Nazis it was Pétain who signed the armistice and from the spa town of Vichy ruled over the Etat Français Hitler had left him Richard Griffiths tells this sorry story in outstanding detail all the way to Pétain's ignominious end and not stinting to show his culpability in the Vichy persecution of French Jews and its suppression of the internal Resistance Pétain utterly obscure until the age of 58 was hurled to fame by his defence of Verdun in 1916 This saved his country's bacon he would say her honour at a crisis point of the Great War Thereafter he became an almost monarchical figure more revered than any living Frenchman even after the disaster of 1940 But then as head of the puppet Vichy government he slid into ignominy after failing to square honour with military humiliation Griffiths's durable biography paints not a devil but a courageous misguided man with a hole where others keep their political acumen Robin Blake Independent *Pétain et de Gaulle* Jean Raymond Tournoux, 1964 Pétain; a Biography of Marshal Philippe Pétain of Vichy Richard Griffiths, 1972 Soldiers as Statesmen Peter Dennis, Adrian Preston, 2020-12-22 The Duke is a soldier a bad education for a statesman in a free country Sir Walter Scott's fear of the political soldier has long been part of Western political life Yet although many countries would have preferred to keep the military out of politics few have been successful Originally published in 1976 this book examines the careers of five distinguished twentieth century soldiers and assesses their contribution as statesmen Hindenburg Byng Franco Eisenhower and De Gaulle all came into political life in different circumstances but none did so in the name of the profession or to establish a praetorian state Each was a professional soldier who found himself drawn into the political arena Each of these essays illuminates one aspect of the range of political sociological and historical issues which now surround the interrelationship of civil and military At a time when the tensions of democracy both internally and externally impose increasing pressure on the role of the military in society it is important to study the history of soldiers as statesmen

France on Trial Julian Jackson, 2023-08-22 A Telegraph Spectator Prospect and Times Best Book of the Year This is a story not just about Pétain but about war and resistance the moral compromises of leadership and the meaning of France itself Margaret MacMillan This is a finely tuned history Those who enjoy tales of the sparring among excellent lawyers arguing an important case will find this book riveting And for those who want to understand contemporary France and its intricate politics France on Trial provides a vibrant analysis of a trial and verdict that remain contentious almost eight decades later Ronald C Rosbottom Wall Street Journal Shows Jackson at his best precise in detail vivid in imagery alert to irony firm in judgment and carefully disentangles the questions surrounding the Vichy regime that continue to vex French

society Robert O Paxton Harper's In the terrible month of October 1940 few things were more shocking than the sight of Marshal Philippe Pétain supremely decorated hero of the First World War now head of the French government shaking hands with Hitler Pétain announced that France would henceforth collaborate with Germany This is my policy he intoned My ministers are responsible to me It is I alone who will be judged by History Five years later Pétain was put on trial for his conduct during the war He stood accused of treason charged with heading a conspiracy to destroy France's democratic government and collaborating with Nazi Germany Award winning author Julian Jackson uses Pétain's three week trial as a lens through which to examine one of history's great moral dilemmas Was the policy of collaboration four years too late to erase from our history as the prosecution claimed Or was it as conservative politicians insist to this day a sacrifice that placed pragmatism above moral purity As head of the Vichy regime Pétain became the lightning rod for collective guilt and retribution But he has also been an icon of the nationalist right ever since In France on Trial Jackson blends courtroom drama political intrigue and brilliant narrative history to highlight the hard choices and moral compromises leaders make in times of war

Retter und Verräter Stefan Schubert, 2024-07-22 Paul von Hindenburg und Philippe Pétain wurden zu gefeierten Weltkriegshelden stilisiert und wirkten zugleich als umstrittene Staatshäupter Anhand dieser Parallele nimmt Stefan Schubert die politischen Ordnungen in Deutschland und Frankreich zwischen 1914 und 1945 in den Blick und untersucht den Zusammenhang zwischen der Heroisierung der beiden Militärs und ihrem politischen Wirken über einen vergleichenden Zugriff auf die deutschen und französischen Gesellschaften entschlüsselt er die Deutungskämpfe mit denen Deutsche und Franzosen soziokulturelle und politische Normen konstruierten aushandelten hinterfragten und sich somit in einer von Umbrüchen geprägten Epoche selbst verorteten Stefan Schubert deckt die Bedeutung umkämpfter heroischer Figuren für die zeitgenössische Suche nach integrativen Symbolen auf Seine Analyse der Heroisierungen von Hindenburg und Pétain erlaubt Rückschlüsse darauf wie sich politische Ordnungen legitimierten und stabilisierten Dieser Vergleich schärft den Blick für

Besonderheiten und Gemeinsamkeiten zweier Staaten die sich den Herausforderungen von Nationalisierung Kriegen und radikalen Ideologien stellen mussten *Complicated Complicity* Martina Bitunjac, Julius H. Schoeps, 2021-06-21 *Complicated Complicity* is about the forms taken motives and spectrum of actions of European collaboration with the Nazis State authorities local military organizations and individual players in different countries and areas including France Scandinavia Lithuania Poland Ukraine Romania Hungary Slovakia Greece Italy Portugal and the countries of the former Yugoslavia are discussed in the context of the history of World War II the history of occupation and everyday life and as an essential influencing factor in the Holocaust New forms of right wing populism nationalism and growing intolerance of Jewish fellow citizens and minorities have made such historically sensitive studies considerably more difficult in many countries today In this time of increasing historical revisionism in Europe such elucidating discourse is particularly relevant **Routledge**

Library Editions: Security and Society Various, 2021-09-30 This 12 volume set contains titles originally published between
