Prayer And Beyond:

How to Pray with the Bible Page McKean Zyromski,2010-02-01 Learn to pray with every part of the Bible Do you already read the Bible and apply its teachings in your everyday life Well there s much more to how you might understand the words of the Old and New Testaments according to popular educator Page Zyromski Now it s time to pray with the Bible too With lively reflections and experiential exercises Zyromski takes you step by step through a variety of approaches to praying with Scripture She encourages attentive listening and a sense of humor as you make God s Word a deeper part of your prayer life Discover how to create a posture of attention and how to listen in ways you may not have thought possible Learn ways to pray with every portion of the Bible from Genesis through the prophets the Gospel through the Book of Revelation even the lists genealogies and those tough psalms This is a roll up your sleeves sort of book If you truly want to pray the Bible and not just read about the Bible let s start immediately from the book Mapping Christian Rhetorics Michael-John

DePalma,Jeffrey M. Ringer,2014-10-10 The continued importance of Christian rhetorics in political social pedagogical and civic affairs suggests that such rhetorics not only belong on the map of rhetorical studies but are indeed essential to the geography of rhetorical studies in the twenty first century This collection argues that concerning ourselves with religious rhetorics in general and Christian rhetorics in particular tells us something about rhetoric itself its boundaries its characteristics its functionings In assembling original research on the intersections of rhetoric and Christianity from prominent and emerging scholars Mapping Christian Rhetorics seeks to locate religion more centrally within the geography of rhetorical studies in the twenty first century It does so by acknowledging work on Christian rhetorics that has been overlooked or ignored connecting domains of knowledge and research areas pertaining to Christian rhetorics that may remain disconnected or under connected and charting new avenues of inquiry about Christian rhetorics that might invigorate theory building teaching research and civic engagement In dividing the terrain of Christian rhetorics into four categories theory education methodology and civic engagement Mapping Christian Rhetorics aims to foster connections among these areas of inquiry and spur future future collaboration between scholars of religious rhetoric in a range of research areas

Practice the Pause Caroline Oakes,2023-01-24 These days many of us live in a state of overreactive fight or flight response and chronic stress The demands of modern life pull us in all directions and can often put the meaningful connections in our lives at risk connections to our deepest selves to others and even to God But there is good news New developments in brain science have recently proven that an intentional practice of pausing for a few minutes of meditation prayer or other contemplative practice actually rewires our brain in ways that make us calmer less reactive and better able to see the bigger picture In Practice the Pause spiritual director and writer Caroline Oakes offers easy to understand explanations of how this new brain science is confirming what every spiritual tradition has been telling us for millennia by practicing the pause we become more self aware and better able to understand others We become more God aware With a

refreshing focus on the Eastern Christian understanding of Jesus as a master of wisdom Oakes shines a spotlight on Jesus's own centering pause practice as a transformative path for personal and social change We learn that even a seven second pause practice can move us beyond the fight or flight responses of our ego in our daily lives and actually equip us to cultivate the common good in the world *RECOGNIZING THE MISTAKES OF THE WORSHIPPERS* 01-01-2013,□□□□□□ □□□□□□
