

The background image shows a mountain range under a sunset sky. A large, semi-transparent blue circle is positioned on the left side of the frame. The sun is a bright, glowing orb on the right horizon, casting long, golden rays across the sky and over the mountain peaks. The mountains in the foreground are dark and silhouetted against the bright light of the sun. The overall mood is serene and majestic.

Move Mountains Florence Mutambanengwe,2012-01-09 When I was a small child my grandfather made whole family pray I remember that some of the family members used to get tired of praying everyday They would run away from the main farm house and hide However that would not stop granddad Maxin Mwanyenya Mutambanengwe It was like some fire had been put on him He would pick up his walking stick and go round all the outer buildings as though he was hunting for a thief Why did he do that everyday He would come back with all the boys who were hiding from him Only then would the prayers start He never got tired of this activity Even if only one of the boys was not there he would stop and go and look for him Now I know he was actually fighting with the devil I am sure he used to chase the devil away from all his grandchildren We had the bible but in those days he is the one who read the bible for us He loved singing therefore we had a praise and worship session and then read from the word of God Then he would pray and dismiss everyone Now that I know I hope Prayers that Moved Mountains Still Move Mountains will be of assistance to those families that wish to have prayers on a daily basis Just as reference to how these people prayed and how their prayers were answered Prayers that Moved Mountains Still Move Mountains is a selection of powerful prayers Men of God prayed and these prayers were answered in most miraculous ways God will answer you just as he answered those powerful men and women He has answered my minor and major prayers Jesus offered prayers and petitions with loud cries and tears
