A. Carson,2002-09-16 In almost 500 years of evangelical praying there has never been a book like this Teach Us to Pray is in effect four books in one It begins with a detailed analysis of the biblical theology of prayer surveying each part of the Scriptures in turn Next comes an investigation of prayer and spirituality within Hinduism Buddhism Islam historic Christianity Puritanism and a different Christian contemporary tradition Roman Catholicism In addition expert commentators offer Lessons in Prayer from the Worldwide Church featuring Korea China Latin America and Africa Finally a group of Christian leaders write about prayer in their individual experience adding a personal dimension to this comprehensive book This is a full library on the subject of prayer conserving the best insights of the past and breaking new ground with penetrating original thinking **Praying the Scriptures** Judson Cornwall,1990 One of the most frustrating aspects of prayer is not being able to find the right words to express what dwells deep within your heart Bringing the Scriptures into your personal prayer life can greatly expand your vocabulary with God After reading Praying the Scriptures you will find that the Psalms are a rich spiritual thesaurus for your praise and worship vocabulary Learn how the prayers of Paul can expand your prayers of petition And that the actual prayers of Jesus will give you a tailor made vocabulary for a closer relationship with the Father *Power to Pray* Don Andreson,2012-05-08 There is or at least ought to be power in prayer The Bible after all is filled with stories of people who prayed and saw amazing results Jesus our Disciple besides praying often and with the clear expectation of results taught us to always pray and to never give up Yet too many of us lack the power to pray consistently and effectively Prayer is often a duty seldom performed instead of a living experience of connecting with heavens power The Bibles true statement Faith without works is dead is also true when turned backward an absence of prayer in our life demonstrates the absence of faith in our heart faith in the actual effectiveness of prayer as the Bible describes it If we pray God will act if we dont pray he wont The sole aim of Power to Pray is to increase this faith in all of us so that our Father who eagerly waits for us to pray can act on earth as in heaven The rest is up to you and the Holy Spirit My prayer is that the immense purposes of God will be accomplished through your simple prayers *The 21 Most Effective Prayers of the Bible* Dave Earley,2005 Not an exhaustive scholarly study this very readable volume investigates 21 heartfelt prayers that produce results Earley shares personal examples from years of ministry that illustrate how these deepest petitions have worked not only for Biblical heroes but also for Christians of today *Praying the Bible* Donald S. Whitney,2015 Offering Christians encouragement and advice for reinvigorating their prayer lives this practical resource outlines a foolproof plan for praying through the Bible turning the duty of prayer into delight
