Preachers Demons:

The Preacher's Demons Franco Mormando, 1999-05 When the city was filled with these bonfires he then combed the city and whenever he received notice of some public sodomite he had him immediately seized and thrown into the nearest bonfire at hand and had him burned immediately This story of an anonymous individual who sought to cleanse medieval Paris was part of a sermon delivered in Siena Italy in 1427 The speaker the friar Bernardino 1380 1444 was one of the most important public figures of the time and he spent forty years combing the towns of Italy instructing admonishing and entertaining the crowds that gathered in prodigious numbers to hear his sermons His story of the Parisian vigilante was a recommendation Sexual deviants were the objects of relentless unconditional persecution in Bernardino's sermons Other targets of the preacher's venom were witches Jews and heretics Mormando takes us into the social underworld of early Renaissance Italy to discover how one enormously influential figure helped to dramatically increase fear hatred and intolerance for those on society's margins This book is the first on Bernardino to appear in thirty five years and the first ever to consider the preacher's inflammatory role in Renaissance social issues

Preacher, Sermon and Audience in the Middle Ages, 2018-11-12 Preacher Sermon and Audience in the Middle Ages presents research by specialists of preaching history and literature This volume fills some of the lacunae which exists in medieval sermon studies The topics include an analysis of how oral and written cultures meet in sermon literature the function of vernacular sermons an examination of the usefulness of non sermon sources such as art in the study of preaching history sermon genres the significance of heretical preaching audience composition and its influence on sermon content and the use of rhetoric in sermon construction The study looks at preaching history and literature from a wide geographical and chronological area which includes examples from Anglo Saxon England to late medieval Italy While doing so it outlines the state of sermon studies research and points to new areas of investigation

Preaching Your Way Out of a Mess Johnny Teague, 2019-03-22 Every day a pastor faces armies of despair fatigue exhaustion and frustration That blessed hope of a Spurgeon church has morphed into a Paul prison Every time he looks up there is another attack First errors are found then sin doctrinal arguing leads to internal strife The army of the nation's culture surrounds for the kill The pastor places his baptism handkerchief on a broom handle and crawls out to surrender Just then he looks to the horizon to see a glorious alliance of sixty six armies The enemy turns in fear many ride away while others engage only to be routed The preacher had forgotten that there are more with us than against us No matter the mess God is with us He has given his Spirit to move among us and he has given us his word to defeat every attack Grab this handbook and be encouraged you can preach your way out of every mess
