Ernest Eugene Rogers

Preaching Evangelistically:

Preaching Evangelistically Al Fasol, Roy Fish, Steve Gaines, Ralph Douglas West, 2006 What is the point of preaching With so many agendas competing for pulpit time these days it can be easy to forget the exact purpose of our Christian calling to proclaim God's salvation through Jesus who died and is now resurrected Preaching Evangelistically looks at the different elements of gospel preaching and how they are best used to effectively proclaim Jesus They include sermon setting text selection preparation preaching with biblical authority giving an invitation and hiding behind the cross as you preach Also here are eyes on text examples of evangelistic sermons from selected preachers Cowriter Al Fasol states The purpose of our book is to provide information on preaching evangelistically with integrity with biblical accuracy with appeal to contemporary listeners and absolutely for the glory of God Back cover Preparing Evangelistic Sermons Ramesh Richard, 2005-10 Ministry leader and evangelist provides readers with a proven do it yourself method for effective evangelistic sermons **Show Me How to Preach Evangelistic Sermons** R. Larry Moyer, Author and evangelistic speaker R Larry Moyer shows pastors and speakers how to communicate the good news In twenty seven helpful chapters he explains why expository evangelistic preaching is so important and offers guidance for compellingly delivering the message of the gospel *Evangelistic Preaching That Connects* Craig A. Loscalzo, 1995-10-24 Craig A Loscalzo shows how to develop evangelistic sermons that will appeal to today's audiences He includes a rationale for evangelistic preaching sample sermons and lots of practical advice **Preaching with Evangelistic Persuasion** Ben D Rogers D Th, Ben D. Rogers, 2012-12-31 Paul says For our gospel came not unto you in word only but also in power and in the Holy Ghost and in much assurance 1 Thess 1 5 Why are so many pulpits today void of effective evangelical gospel preaching preachers of power and much assurance Is the Holy Spirit totally at fault here We dare not think so Rather the purpose of this book is to be a clear guide for preachers today using the Scriptures to create a basis for persuasive evangelistic preaching One of the primary needs in the effort of evangelistic preaching is to establish the relative place of the mind the conscience the emotions and the will in one's appeal Many criticize proclamation evangelism as securing decisions by appeals largely emotional and generally void of any intellectual involvement It is therefore necessary to establish the truth that true evangelistic preaching involves each of the elements of man's soul and not just his emotions Through effective evangelism the Holy Spirit touches each aspect of man's makeup and enables his decision for salvation as is expounded in the gospel of Jesus Christ The subject of this book is limited to one type of sermon the evangelistic sermon Four basic appeals in evangelistic preaching are expounded and organized in useful format Actual sermon structure and delivery of the sermon will be much more obvious after the very foundation of an effective sermon is dealt with as spelled out in this book Chapter One deals with Gospel preaching and its appeal to the intellect Chapter Two discusses Gospel preaching and its relationship to the conscience Chapter Three examines Gospel preaching's appeal to the emotions of man Chapter Four scrutinizes the appeal of Gospel preaching to the

will of man In each chapter the writer gives a definition of the moral element dealt with in the study Then the design of the preacher in dealing with that element is stated Next the direction to be taken by the preacher is described Finally the writer demonstrates the use of appeals to man s moral elements by using examples of great evangelists of the past and present The conclusion includes general observations and pragmatic applications of the subject About the Author For sixty years this writer has preached as an international evangelistic preacher seeing thousands of souls persuaded to turn from sin and believe on the Lord Jesus Christ He has a lifetime of confirmation of these truths presented and calls upon all ministers to return to Peitkos persuasive preaching of the Gospel
