Preaching Fox Elements Of Festive Subversion In The Plays Of The Wakefield Master

Daniel Derrin, Hannah Burrows

Preaching Fox Elements Of Festive Subversion In The Plays Of The Wakefield Master:

The Preaching Fox Warren E. Edminster, 2005-01-07 First published in 2005 Volumes in the Medieval History and Culture series include studies on individual works and authors of Latin and vernacular literatures historical personalities and events theological and philosophical issues and new critical approaches to medieval literature and culture Momentous changes have occurred in Medieval Studies in the past thirty years in teaching as well as in scholarship The Medieval History and Culture series enhances research in the field by providing an outlet for monographs by scholars in the early stages of their careers on all topics related to the broad scope of Medieval Studies while at the same time pointing to and highlighting new directions that will shape and define scholarly discourse in the future This volume is a collection of Wakefield Master's festive plays Characters threaten the audience with comic bravado engage in mocking tomfoolery and parody any number of sacred forms it is behavior unexpected by modern students of the drama especially from what we assume was a serious and religious medieval past and it is unlike what we find in the other mystery cycles **The Preaching Fox** Warren Edminster, 2005

The Preaching Fox Warren E. Edminster, 2005-01-07 First published in 2005 Volumes in the Medieval History and Culture series include studies on individual works and authors of Latin and vernacular literatures historical personalities and events theological and philosophical issues and new critical approaches to medieval literature and culture Momentous changes have occurred in Medieval Studies in the past thirty years in teaching as well as in scholarship The Medieval History and Culture series enhances research in the field by providing an outlet for monographs by scholars in the early stages of their careers on all topics related to the broad scope of Medieval Studies while at the same time pointing to and highlighting new directions that will shape and define scholarly discourse in the future This volume is a collection of Wakefield Master's festive plays Characters threaten the audience with comic bravado engage in mocking tomfoolery and parody any number of sacred forms it is behavior unexpected by modern students of the drama especially from what we assume was a serious and religious medieval past and it is unlike what we find in the other mystery cycles **The Palgrave Handbook of Humour, History, and Methodology** Daniel Derrin, Hannah Burrows, 2021-01-12 This handbook addresses the methodological problems and theoretical challenges that arise in attempting to understand and represent humour in specific historical contexts across cultural history It explores problems involved in applying modern theories of humour to historically distant contexts of humour and points to the importance of recognising the divergent assumptions made by different academic disciplines when approaching the topic It explores problems of terminology identification classification subjectivity of viewpoint and the coherence of the object of study It addresses specific theories together with the needs of specific historical case studies as well as some of the challenges of presenting historical humour to contemporary audiences through translation and curation In this way the handbook aims to encourage a fresh exploration of methodological problems involved in studying the various significances both of the history of humour and of humour in history **Handbook of Medieval**

Studies Albrecht Classen, 2010-11-29 This interdisciplinary handbook provides extensive information about research in medieval studies and its most important results over the last decades The handbook is a reference work which enables the readers to quickly and purposely gain insight into the important research discussions and to inform themselves about the current status of research in the field The handbook consists of four parts The first large section offers articles on all of the main disciplines and discussions of the field The second section presents articles on the key concepts of modern medieval studies and the debates therein The third section is a lexicon of the most important text genres of the Middle Ages The fourth section provides an international bio bibliographical lexicon of the most prominent medievalists in all disciplines A comprehensive bibliography rounds off the compendium The result is a reference work which exhaustively documents the current status of research in medieval studies and brings the disciplines and experts of the field together Spiritual Calculations Christine Cooper-Rompato, 2021-12-13 Medieval English sermons teem with examples of quantitative reasoning ranging from the arithmetical to the numerological and regularly engage with numerical concepts Examining sermons written in Middle English and Latin this book reveals that popular English speaking audiences were encouraged to engage in a wide range of numerate operations in their daily religious practices Medieval sermonists promoted numeracy as a way for audiences to appreciate divine truth Their sermons educated audiences in a hybrid form of numerate practice one that relied on individuals pragmatic quantitative reasoning which when combined with spiritual interpretations of numbers provided by the preacher created a deep and rich sense in which number was the best way to approach the sacred mysteries of the world as well as to learn how one could best live as a Christian Analyzing both published and previously unpublished sermons and sermon cycles Christine Cooper Rompato explores the use of numbers arithmetic and other mathematical operations to better understand how medieval laypeople used math as a means to connect with God Spiritual Calculations enhances our understanding of medieval sermons and sheds new light on how receptive audiences were to this sophisticated rhetorical form It will be welcomed by scholars of Middle English literature medieval sermon studies religious experience and the history of mathematics **Charlotte Bronte's Jane Eyre** Harold Bloom, 2006 Presents a collection of nine critical essays about the novel Jane Eyre by Charlotte Bronte Laughter in the Middle Ages and Early Modern Times Albrecht Classen, 2010-09-22 Despite popular opinions of the dark Middle Ages and a gloomy early modern age many people laughed smiled giggled chuckled entertained and ridiculed each other This volume demonstrates how important laughter had been at times and how diverse the situations proved to be in which people laughed and this from late antiquity to the eighteenth century The contributions examine a wide gamut of significant cases of laughter in literary texts historical documents and art works where laughter determined the relationship among people In fact laughter emerges as a kaleidoscopic phenomenon reflecting divine joy bitter hatred and contempt satirical perspectives and parodic intentions In some examples protagonists laughed out of sheer happiness and delight in others because they felt anxiety and insecurity It is much more difficult to

detect premodern sculptures of laughing figures but they also existed Laughter reflected a variety of concerns interests and intentions and the collective approach in this volume to laughter in the past opens many new windows to the history of mentality social and religious conditions gender relationships and power structures *Misconceptions About the Middle Ages* Stephen Harris, Bryon L. Grigsby, 2010-05-26 Interest in the middle ages is at an all time high at the moment thanks in part to The Da Vinci Code Never has there been a moment more propitious for a study of our misconceptions of the Middle Ages than now Ranging across religion art and science *Misconceptions about the Middle Ages* unravels some of the many misinterpretations that have evolved concerning the medieval period including the church war science art society With an impressive international array of contributions the book will be essential reading for students and scholars involved with medieval religion history and culture *American Book Publishing Record* ,2005 *Preaching Fox* Edminster, 2005-02-01
