Interpreter's® Handbook of Preaching, 2010-11-01 The New Interpreter's Handbook of Preaching is a major reference tool for preaching with articles on every facet of Christian sermon preparation and delivery This resource is both scholarly and practical It focuses on the most distinctive feature and greatest strength of homiletics as a discipline It is rooted in interdisciplinary scholarship and it develops theory geared to practice Its theory arises out of the study of both excellent preaching past and present and actual sermon preparation and composition When theory and practice critique each other it is possible to produce guidelines that assist greater excellence and economy in preaching the gospel Excellence in standards is an area in which homiletics needs to grow and this project will be both a means to encourage and develop it A guiding question throughout will be Will it preach The answers will be offered in the sense that here is something that works well rather than here is something to try Preachers will turn to this resource with the expectation that they will find scholarly treatment of topics brief bibliographies of relevant key books and articles along with practical methodological suggestions for preachers to employ The contributors are homileticians preachers and writers in various disciplines who are committed to the pulpit through practice Preaching Power Charles A. Witschorik, 2013-10-21 This book uses a gender perspective to

examine sermons and other officially endorsed discourses of the Catholic Church in eighteenth and nineteenth century Mexico City Analyzing the different ways that over time gendered images metaphors and hagiographical examples were used in sermons and other documents the book examines how the church negotiated challenges to its cultural and ideological hegemony Beginning with sermons from the early eighteenth century the author follows the evolution of church discourses as preachers revealed in Baroque analogies embraced ideals of the Enlightenment targeted women's alleged moral vices at times of political crisis and ultimately turned to notions of women as the devout sex in order to combat incipient liberalism Put another way liberals after independence were not the only ones to assert a kind of republican motherhood preachers countered with a vision of Catholic motherhood that had great resonance in Mexico even into the twentieth century

Transformational Preaching David M. Brown, 2003-02 Transformational Preaching Theory and practice is a comprehensive textbook for the beginning student of preaching the graduate student in pulpit discourse or the seasoned

preacher Seeking to reclaim the pulpit for biblical preaching the book counteracts the popular teaching approach that is common today and argues that preaching must be persuasive rather than informative that the preacher is central to the act of preaching and that through the preaching event both preacher and listener together fashion the message and its meaning Both theoretical and highly practical the book offers a challenging look at all aspects of the preaching ministry It contextualizes preaching in pastoral ministry and congregational worship but most significantly argues that the practice of preaching must be informed and driven by theory As such the book draws from a wide perspective of disciplines including biblical theology classical rhetoric contemporary human communication public discourse persuasion linguistics performance and orality The book s wealth of practical guidelines for every step of sermon development encourages students to apply general principles within their own contexts of ministry

Weaving the Sermon Christine M. Smith,1989-01-01 Using images connected with the art and craft of weaving Christine Smith discusses the special vision that women bring to the task of preaching She looks at the significance of feminist theology psychology and philosophy in terms of their impact on the preaching of all men and women Among other topics she considers the authority of the preacher God language and global feminism

Manual of Preaching Franklin Woodbury Fisk,1884 *Preaching Words* John S. McClure,2007-01-02 John McClure s *Preaching Words* highlights the most important ideas in homiletics and preaching offering short explanations of these ideas what scholars of preaching are saying about them and how they can help in today s preaching Topics range from elements of the sermon introduction body and conclusion to aspects of delivery types of preaching in different Christian traditions and theories of preaching
