Preaching Ronald Allen, 2002 Preaching it sounds like such a easy thing to do All you have to do is step into the pulpit and talk for 20 minutes right Anyone who s ever stepped into that pulpit knows that preaching is anything but easy Speaking a word from God that is grounded in the biblical witness theologically responsible and true to contemporary experience is one of the most difficult things one can do Advice on how to do this is as old as preaching itself and there are as many opinions on preaching as there are preachers Where do those who have been called to the ministry of proclamation begin What are the basic understandings and practices that anyone who proposes to preach should know In this new addition to the Essential Guides series Ronald Allen seeks to answer these basic questions about preaching He does so through the use of an inductive method which is simply to say that he starts with a sermon itself and uses that sermon to illustrate the process of moving from the first thoughts about what one will preach to the delivery of an actual sermon itself Each chapter will raise a question about the sample sermon that leads into a broader discussion of the practical and theoretical issues that this particular aspect of the sermon raises e g What is the good news in this sermon What is the significance of this news for the congregation Does the preacher offer a clear and sensible interpretation of the biblical text or the topic Written with the needs of students in both traditional M Div classes and non degree ministry training programs in mind *Preaching An Essential Guide* will be an indispensable companion for all the others who seek to rightly explain the word of truth Ronald J Allen is Professor of Homiletics at Christian Theological Seminary Indianapolis Indiana *An Essential Guide to Speaking in Tongues* Ron Phillips, 2011 This book is part of the Foundation Series by Pastor Ron Phillips The series will contain books describing the basic foundational truths for the Spirit filled believer *An Essential Guide to Speaking in Tongues* will describe the author s own experience with speaking in tongues The author brings great balance to this topic and helps readers to understand that speaking in tongues is a blessing of God that gives us the ability to boldly approach God s throne with the Holy Spirit s power and language **Roberto Caracciolo da Lecce (1425-1495)** Giacomo Mariani, 2022-02-14 In the second half of the fifteenth century Roberto Caracciolo s preaching touched the most important cities of Italy and met with wide and resounding success His sermons were read and diffused throughout Italy and Europe propelled by the emergence of the printing press industry This book provides a new and comprehensive study of his life preaching and writing replacing outdated resources and adding new and hitherto unknown data It offers a reference work on a relevant social intellectual and religious actor of Renaissance Italy and a reading of those times through the life and works of a celebrated preacher **How to Read Karl Barth's Church Dogmatics in One Book** Daniel Chitrada, 2025-10-09 *How to Read Karl Barth s Church Dogmatics in One Book* provides a comprehensive overview of the entirety of Church Dogmatics CD in concise paragraphs It encapsulates Barth s key arguments in succinct sentences interweaving them into the essence of the larger framework This book is intended for a broad audience including both lay Christians and members of the clergy who wish to engage with and
