Preaching Better:

Preaching Better Kenneth Untener, Ken Untener, 2014-05-14 A compendium of wise and useful advice about preaching what works and what doesn't *Preach Better Sermons* Shane Stone, Ph.D., 2018-12-18 The objective of this book is to address the following premises
Premise number one The purpose and aim of Christian preaching teaching is to produce spiritually faithful biblically capable and productively active disciples of Jesus Christ
Premise number two Conventional preaching teaching philosophies and methods are not achieving the desired effects in far too many cases This is evidenced by the numbers of lukewarm churches and spiritually broad but not deep Christians
Premise number three A paradigm shift in how sermons and Bible lessons should be prepared and communicated will help alleviate the problem and is long overdue This book addresses the shortcomings of modern Christian preaching envisions the strongest and deepest approaches to biblical teaching and learning and lays out specific steps to get churches classrooms and pulpit ministries from where they are to where they need to be

Hints on Preaching, 1879 **One Year to Better Preaching** Daniel Overdorf, 2013-09-06 One Year to Better Preaching provides preachers with fifty two hands on exercises that sharpen their homiletical skills The book is designed particularly for those who preach each week and have been perhaps for some time to help them get out of the rut of the routine and infuse their preaching with new sparks of creativity fresh approaches to sermon preparation and design and sharpened verbal and nonverbal communication skills Novice preachers also will find the exercises useful in developing their preaching abilities Each chapter includes instructions for an exercise tools and suggestions needed for the exercise comments from preachers who completed it and recommended resources for further study The exercises address eight categories of homiletics Prayer and Preaching Bible Interpretation Understanding Listeners Sermon Construction Illustrations and Applications Word Crafting The Preaching Event Sermon Evaluation Readers can complete the exercises in the order presented which address different categories week to week or they can sharpen their skills in a particular category over a period of weeks by using the chart provided They might also work through the exercises in collaboration with other preachers One Year to Better Preaching will leave a preacher reinvigorated and better equipped to proclaim the Word of God skillfully passionately and effectively
